**OAG & GCPE - Touch base -**

A 30 minute status meeting with Cornell Dover, Assistant Auditor General and Deputy Minister Evan Lloyd to discuss any preliminary audits which may potentially impact Government Communications and Public Engagement. The purpose of the meeting is to keep open communications between OAG and government's organizational sectors, so there is appropriate time for discussion while potential or existing audits are underway.

These meetings will be more effective if set up on a quarterly basis. After this initial meeting we can establish a recurrence.

Thank you.
