OAG & PSEC: Touch base - Security Concern

A 30 minute status meeting with Cornell Dover, Assistant Auditor General and CEO & President Christina Zacharuk to discuss any preliminary audits which may potentially impact the Public Sector Employers' Council. The purpose of the meeting is to keep open communications between OAG and government's organizational sectors, so there is appropriate time for discussion while potential or existing audits are underway.

These meetings will be more effective if set up on a quarterly basis. After this initial meeting we can establish a recurrence.

PSEA Bargaining Conference 2 - April 16, 2018 - Security Concern
Security Concern
Vancouver BC

To Member: Vice-President of Academic and Provost
Senior Finance & Administration Officer (SFAO)
Labour Relations Advisory Committee Representative (LRAC)

Further to our discussions at PSEA's Bargaining Conference 1 in November, 2017, please accept this invitation to attend the follow-up bargaining conference on **April 16, 2018**.

The focus of PSEA's Bargaining Conference 2 will be to build on the first conference and report out, discuss and confirm sectoral bargaining objectives and the bargaining plan for the upcoming round of negotiations. As such, it is critically important to have senior operations and financial executives (the same participants that attended bargaining conference 1) in addition to the LRAC representatives, as these objectives are intended to assist institutions in achieving their strategic plan. Although not required, all PSEA Member Presidents are also welcome to attend.

The meeting is being held in Security Concern
Security Concern
Vancouver.

In order to facilitate attendance (although we cannot assure this will be the case for future conferences), PSEA will pay the travel expenses for two representatives from each member institution to attend this one-day conference. Travel expenses for the additional attendees would be borne by each institution. One day accommodation will be paid by PSEA for the two representatives when travel times cannot be reasonably coordinated on the day of the conference. Consistent with PSEA policy, PSEA will only reimburse hotel expense up to PSEA's negotiated rate of \$205.63 (including taxes) should an attendee organize accommodation elsewhere – **please email cindy@psea.bc.ca no later than March 15, 2018 if you need a hotel reservation.**

Additional information will be forwarded in due course.

We look forward to seeing you in April!
