Cabinet Confidences

Security Concern

Please note this is a special opportunity to meet with Don Wright, and to hear his cabinet-level presentation on Cabinet Confidences The work to be presented will, itself, be the focus of a deeper dive during the Cabinet's upcoming planning retreat. In the meantime this is an excellent opportunity to begin assessment of the communication challenges in shaping a new narrative for the medium-term future for government.

Please make every effort to be present for this event.
