Minister Briefings - Security

Please find below an updated schedule for the Minister briefings today.

Budget is starting at 11am with Home Care scheduled for 12:00.

Seniors Care onwards are due to start at 1pm. I would suggest therefore that Ted is there for 12:45 pm and Mark for 1:00pm in case they decide to start early.

David I will try and give you a heads-up as soon as I get an indication they are getting to your item.

I have asked Jasmyrn to try and let me as items progress so I can hopefully give you all more specific start times.
