Apologies....just received a few cancelation notices from certain presenters – enough to warrant a further updated agenda (see attached). The changes affect neither the order nor the duration of the presentations.

Thanks for your co-operation.

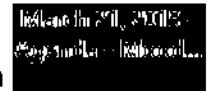

Kevin

Agenda attached.

Thanks.

Kevin

Hello,

Entering this as a placeholder. Will forward an agenda when completed/authorized. Expect similar format as last year, but the agency has requested a cut back in the duration of some of the presentations this year (eg. quick updates on Health, Collective Bargaining, and ICBC). In terms of quick, I would aim for no more than 10-15 minutes.

Meeting time and duration is approximate, so please allow for some flexibility in your calendar. Will depend somewhat on which topics (or specific questions) Moody's wants addressed....which I have already requested they provide, but which they may not know until after they have read the Budget.

The meeting invite will be forwarded to other potential presenters from Province as it becomes clearer what topics are to be covered.

Please provide an electronic version of your presentation to me before 12:00pm, Friday, March 1st (so I can distribute to the rating agency).

Please contact me directly if you have questions.

Thanks.
