Subject: USW raincheck brief

Hi Tom;

I have checked in with the USW on a rain-check briefing on Section 11 and Partnership Agreements. They have said that next Tuesday April 2 at 4:30 would work for them. We can get call-in numbers. I believe the 30-45 minute scenario would work.

Would that work for yourself, David, or others as you wish?

Thanks,
Kenn

Subject: Pre-Brief: Forest Act

Hi Lisa –

We are looking to arrange a staff-level pre-brief for the Green Caucus with respect to the upcoming legislation around the Forest Act; could you please help by identifying a few slots that might work for FLNR staff and Tim R to provide this briefing?

(Note that draft legislation will not be shared in advance of tabling.)

The briefing would be for 30 minutes, and include Tim, FLNR staff, GC staff, and the CASA Secretariat.

I think we'd need to look at Monday or Tuesday if possible.

Thanks!

CBC All Points West - Old Growth Logging -- 1-250-360-2227
Call in at 5:13 p.m. for 5:15 p.m. start. Host is Robyn Burns.

We'd like to get the minister's perspective on concerns raised by Sierra Club BC's Jens Wieting about recent old growth logging approvals for Vancouver Island in our Thursday (April 11) interview.
At the same time, we've previously reported on the different perspective of truck loggers and others who are concerned about the potential economic impact of reduced old growth logging - just for one example - how is it possible to address economic and environmental priorities?
