*To call in with Minister Ralston as JTT has booked a room at the VCO for this event-06-10-CL

Hi – WA State Transport Secretary had a conf call with MBR, MCT on Feb 25. Call ended with agreement they would all “meet” again.

WA is now asking me for possible times the first two weeks of June. Ideal would be week of June 10.

Would it be possible to check with the MOs and see if there is something that makes this a non-starter? i.e. minister away

If it is at all possible (and I know very challenging to get this arranged), then WA will formally contact the MOs.

Thanx.

Richard to Dial in: Government Financial Information, Security Concern

This invite follows Don's initial email from June 2nd requesting a meeting with DMs for discussion over collective efforts related to work camps. PCO staff have reached out to staff within each of your ministries to coordinate and get a sense of current work and linkages across ministries.

Ministry staff will continue to be involved. Our intention is to form an ad-hoc DM working group to coordinate and consolidate streams of work across government. It will not replace any of the valuable efforts already underway.
