Great BC Shakeout Drill -- YOUR DESK

On October 17th at 10:17 a.m. 617 Government St. will have the opportunity to practice earthquake response and consider our overall personal preparedness during the Great British Columbia ShakeOut.

I encourage you to take part in the "Drop, Cover, Hold" event!

In the event of an earthquake, you must:

- **Drop:** Drop to the ground before the shaking drops you.
- **Cover:** Take shelter under a desk or table. If you're not near a heavy piece of furniture, protect your head and neck with your arms, and crawl to an interior wall if possible.
- **Hold On:** If you are under cover, hang on to it with one hand as it could bounce away, and protect your head and neck with the other hand. Be prepared for up to two minutes of shaking. When the shaking stops, count to 60. The simple act of counting can help you stay calm and regain the ability to think clearly. It also provides time for unstable objects to settle before you get up.

During the event, your warden will announce the drill saying **"Earthquake Drill! Drop, Cover and Hold On!"** Once everyone has taken cover under a table or desk, wardens will then lead the count-off from 1-60.

After the drill, please let us know what could be improved in the unfortunate event of an earthquake.

Thank you,

Wardens Marnie and Linda
