Natalya Brodie, Manager Government Relations for Ocean Wise, will go out to the ^{Security Concern} at 1:15 to greet Minister Simpson and Marsha, and escort them to the green room (there will be refreshments in

the green room as well). Media and attendees will now be accommodated through the Membership line located at the main entrance (originally they were going to the Aquaquest reception). They had to move to a larger green room in a different area to accommodate all of our speakers, so it will be about a 5 minute walk to the event space.

They have also extended complimentary admissions to the Aquarium for attendees and media, if Marsha or Minister Simpson have time in their schedule.
