Good afternoon Amanda,

Robert would like to include our President & CEO, Christina Zacharuk, in this discussion.

To accommodate this change, we thought it best to include some call in details (provided in the location field).

Please note – we will be declining the original invite that you had sent out and replacing it with this one.

If you have any questions or concerns please don't hesitate to reach out.

Hi Robert –

As per Tiffany's email, TBS is starting to think about plans in the event that non-essential services/ businesses remain closed post-April 30 and people continue to be instructed to stay home (with the exception of essential service workers).

Hoping to do a quick connect to get your thoughts on approach, available data and what strategies may be underway (e.g. assessment of essential services, redeployment strategies, etc.).

Let me know if another time works better.

Thanks,

Amanda
