11:00 AM - 11:30 AM

MCIO Teams Training -- Skype

Please join us for an OCIO-hosted Microsoft (MS) Teams tutorial, where a MS Teams expert will walk you through some of the basics about how to get started with this new tool.

MS Teams is scheduled for roll-out to all BC Public Service employees the week of April 20. This half-hour overview session will cover the features of Microsoft Teams that will be available to the BC Public Service, including how to host a meeting, have conversations within the tool, share files, and collaborate on documents. We will also cover how to create a project site in MS Teams – and the benefits of doing so.

We hope you can join us Friday morning.
