The Canada Revenue Agency (CRA) and Province of British Columbia regard the supply of ferry services as GST and PST exempt. BC Ferries charges 5% GST as required under the applicable legislation on ancillary services such as cabin rentals, specialty lounges, food and retail services.

Arrive at the terminal 30 to 60 minutes prior to scheduled departure

https://www.bcferrries.com/web_image/h65/h41/8798806474782.png

What you need to redeem your booking

The ticket agent will ask for your booking reference number or the phone number you used to make the booking. Government-approved photo ID is needed for proof of age as applicable (e.g. BC Seniors).

Bookings will not be honoured and travel will be based on order of arrival at the terminal if you:

- arrive after the booking check-in has closed, 30 minutes prior to the scheduled departure;
- arrive before the booking check-in has opened, more than 60 minutes prior to the scheduled departure.

If your ferry travel is part of a vacation package, you will need to present your ferry travel voucher to the ticket agent when you arrive at the terminal. Tour operators are required to present ferry travel vouchers for all tour members.

Vehicle length and type

Your booking will only be honoured for the specific sailing you reserved and is valid only for the type and length of vehicle specified.

If the vehicle length you reserved differs by more than 5 feet (1.5 metres) at check-in, your booking will not be honoured. To make changes to your booking, [access your BC Ferries account online](#).

Booking cancellations and changes to ferry travel

Changes to your booking can be made up to 1 hour prior to your scheduled departure, subject to the terms and conditions of the fare purchased and applicable fees. Check [BC Ferries' Cancellation/Change policies](#) for details.

BC Ferries Vacations customers: If your ferry travel is booked as part of a vacation package, any change or cancellation is subject to [Terms and Conditions for BC Ferries Vacations Packages](#).

Conditions of Carriage/Rules & Requirements

By purchasing a booking, you acknowledge your acceptance of [BC Ferries' Conditions of Carriage and Rules & Requirements](#) (available upon request at any terminal, any ferry, or at BC Ferries' head office).

Health and safety

To support the health and wellness of our customers and employees, all BC Ferries vessels and terminals are smoke and vape-free environments. BC Ferries has a zero tolerance policy for passengers under the influence of drugs or alcohol and any unacceptable conduct that can be associated with impairment. The consumption of drugs and alcohol on BC Ferries' vessels and at its terminals is prohibited. We all deserve to feel safe and respected—violence and foul language will not be tolerated and may result in denial of service.

COVID-19 screening

For any route longer than 30 minutes, we will be screening all customers, including coach and bus passengers, for COVID-19 symptoms and we will restrict travel to any customer that does not meet the screening requirements, as per the federal guidelines. For more details, [view our COVID-19 page](#).

Masks are mandatory

All walk-on and vehicle passengers must wear a non-medical mask or face covering at all times when at terminals and on board ferries except:

- When inside a vehicle
- When consuming food or drinks, provided social distancing is maintained
- Children under 2 years of age
- Medical condition or disability that inhibits the ability to wear a mask
- Persons unable to place or remove a mask without assistance

Transport Canada safety regulation

In accordance with Transport Canada safety regulations passengers must exit their vehicle on any closed lower deck on a ferry that is underway. A closed vehicle deck is a space that is closed at both ends with limited side openings. Exception: ferries in service on the Vancouver (Horseshoe Bay) – Sunshine Coast (Langdale) route.

During boarding, passengers should advise the Chief Steward of any serious medical conditions. BC Ferries staff are trained in emergency first aid; however, there are no qualified medical personnel on board.

Sailing cancellations

If you check in for your booking and the sailing is cancelled, we will make every effort to load you onto the next available sailing. Customers with a booking on the next scheduled departure will be loaded in advance of customers from the cancelled sailing. If we are unable to load you on the next available sailing, you will be loaded by order of arrival at the terminal.

December 19, 2020 Continued

If you choose not to travel, your fares will be fully refunded.
If your sailing is cancelled before you check in, your booking will be cancelled, your booking fee will be refunded, and you will be loaded on the next available sailing based on deck space availability.
If your BC Ferries Vacations package was affected by a sailing cancellation, you will need to contact our Vacations Centre at 1-888-BC FERRY (1-888-223-3779 Ext. 3), locally at 604-673-2440, or + 8001BCFERRY (+80012233779) toll-free from outside Canada and the USA.

Loading

Your booking will hold a space for you on your reserved sailing. The specific placement of your vehicle on board the ferry is not guaranteed. If you have any special requirements for your sailing, please arrive early and advise the ticket agent when you check in—we will do our best to accommodate your request based on deck space availability and traffic volumes. If we are unable to meet your request, you will have the option to travel on the next available sailing where your request can be accommodated.
