March 4, 2016

Friday

All Day	Fire Alarm Testing 6:30 - 7:30 am - s.15 What's happening: Monthly fire alarm and generator tests. Where s.15 When: Friday, March 4th, 6:30am – 7:30am Why do I need to know: The fire alarm testing is in conjunction with the generator testing. The generators at the back of the building will start up resulting in all building elevators to 'home' to ground floor. During the test, only elevator 1 (closest to Pandora Wing) will be operational for occupant use. The fire alarm system (bells) will ring intermittently. This is only a test and you do not need to evacuate the building. Questions: Please call Facilities at NR
