Satellite phone training .Security Concern
Hi Charlene,

Thank you for helping me organize this training. We will need a room for 4 people to conduct the PowerPoint. Training will consist of roughly 20-30 minutes of PowerPoint and to go over the basics of the phone. After that, we will go outside and do a practice call to ensure the phone is serviceable and you and your Deputy Minister are confident with it.

Thank you,

Stuart Leamy, CD, ABCP
