United Nations Declaration on the Rights of Indigenous Peoples

Security Concern

Hi everyone,

Please join the First Nations Forum for a brief presentation from JAG on the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP). (Yes, we are really calling it UNDRIP). This will include a discussion of the concept of "free, prior and informed consent", and the implications of UNDRIP for provincial consultation.

All: Thank you for your EPIC time and EPIC interest (sorry, can't be helped – I promise to stop soon...ish) at the all-staff earlier today. Following on that gathering, as promised, I'm booking a time for us to open house the new platform, show folks around, answer any questions, etc. I note we already have a ½ hour on the books on Thursday for this purpose, but for a variety of reasons I'm going to shift to this time, not least to expand the available time to an hour so you can drop by anytime within the hour to check out the latest, trade show style. (And also, strategically, to flow into Personal Information a far stronger draw than I, so hoping to maximize my subscription!) I know this overlaps with the Power & Community team's meeting, so please feel encouraged if you're on that team to make an EPIC drop-in beforehand.

Looking forward to it,

r.
