EAC Training Session - Security Concern

/Dial-in Option

Greetings EAO:

As requested by multiple staff, we will be delivering additional training sessions on the new EAC Policy in a 1/2 day format. There is a lot of information in the new policy so these sessions provide an opportunity for staff to learn of the key sections of the policy and new template conditions. We encourage all staff involved with developing or reviewing EACs to participate in this training.

The session will have options for both in person and Lync. Please respond to the meeting invite so we have a good sense of participants.

Thank you

EAO Training and Development Team
