### **What is PECSF?**

Provincial Employees Community Services Fund

PECSF, (or, the Community Fund) is the Province of British Columbia's unique, employee-driven corporate workplace giving program. Started by a group of caring, community-minded BC public servants in 1965, it has since raised over \$45 million! PECSF is governed by a board of directors and is the only program eligible to canvass BC Public Service employees.

The fall awareness campaign and pledge drive takes place annually between September and November. During this time, over 1,000 public servants volunteer and coordinate fun workplace events and activities to raise awareness and make it easy for employees to donate to their favourite charity!
