Corporate Executive Quarterly Meeting --

Security Concern

Security Concern

Dear colleagues:

Please join Shannon Salter and your corporate executive colleagues for an in-person meeting on **October 5, 8:30 am to 12 pm**

Security Concern

Security Concern

This meeting is an opportunity to discuss priority issues for government and connect as executives in the BC Public Service. An agenda will follow closer to the meeting date.

Future meetings will be scheduled on a quarterly basis to re-establish this regular touchpoint for corporate executive. This aligns with feedback from our Leadership Culture Conversations regarding regular opportunities to connect in-person and strengthen our leadership culture and community.

Please RSVP using the 'send response now' option for attendance tracking. Morning refreshments are provided. Please contact [Jordy Moughtin](#) if you have any dietary or accessibility requirements.

I look forward to seeing you there.

Sincerely,

Deb Godfrey
Deputy Minister
BC Public Service Agency

ShakeOut 2023 earthquake drill – get ready for earthquakes wherever you are

At 10:19 a.m. on Thursday, October 19, whether you're working at an office, your home or in the field join us and be part of the Great British Columbia ShakeOut earthquake drill.

With a one in three chance of a damaging earthquake along B.C.'s south coast in the next 50 years, it's important for us to work together and prepare to be safe wherever we are. Even if you don't live in a seismically active area, you may travel through these places and will benefit from knowing what to do.

Registration

No need to register. We've done it for you but consider registering your household and running your own drill when you're together.

-

Why DROP, COVER & HOLD ON?

Earthquakes happen without warning, and when they do, we must act immediately.

Practicing the protective measures of DROP, COVER and HOLD ON helps us develop "muscle memory." Through frequent repetition, we'll automatically do these protective actions when an earthquake happens. Emergency management experts agree these three steps could reduce injury or save your life during an earthquake.

DROP: This position protects us from being knocked down and reduces our chance of being hit by falling objects. People using walkers and wheelchairs should lock their brakes and lean forward while seated.

COVER: Cover your neck with one arm and hand. Crawl under a table for shelter or get close to an interior wall. People using walkers and wheelchairs are encouraged to use their arms, a book or a pillow to cover their heads. Bend over to protect your vital organs.

HOLD ON: If you are under something, try to hold on with one hand and move with it if it shifts.

Deputy Minister Challenge

To support building awareness for the PECSF annual awareness campaign, Deputy Ministers have agreed to participate in a trivia challenge. They have been paired up and face off against another DM colleague to answer skill testing trivia questions. All matches take place over lunch (Tuesdays/Thursdays).

Add this invite to your calendar to tune into this round! You can follow DM progress in the challenge using the Deputy Minister Challenge Leaderboard available on our [TEAMS site here!](#)

Deputy Minister Challenge Leaderboard

You can see if a DM is still in the challenge by looking at their status. You can also see which dates DMs are scheduled to participate in each round.
