Teams link available by request only

*Colleagues,*

*Tomorrow we've all been invited to attend a meeting with the Canadian Association of Petroleum Producers (CAPP). Prior to the pandemic, this meeting was an annual meeting where both the Province and Industry could explore the opportunities and risks faced by the energy sector.*

*To start the meeting off, CAPP has invited Peter Tertzakian to speak during lunch. Peter is one of the pre-eminent voices in Canada regarding energy & energy policy and on top of his regular role as the Deputy Director of the ARC Energy Research Institute, he has advised governments (both federal and provincial) on a variety of matters – most recently as a member of the Government of Canada's Net-Zero Advisory Body.*

*Thanks,*
