Hi there,

Vivian Eliopoulos is inviting you to a scheduled Zoom meeting.

In partnership with Virtual Health at Vancouver Coastal Health, we are offering video-based virtual visits using the ZOOM platform.

What you will need:

- Smartphone/tablet
- Internet connection
- Private space for conversation
- If you have ever made a video call with Skype, FaceTime, or Google

Duo then you are ready to go!

By having a virtual appointment you are **committing** to the following:

- To not share your meeting invite or information on social media
- If you are inviting someone to attend the meeting with you, it should be a trusted person, direct family members or caregivers
- Do not record your conversation with your care provider
- Introduce yourself to your care provider by name, and mention if there is anyone else attending the meeting in person or joining by Zoom
- Note: Residents or other learners may be involved in the virtual appointment. I commit to introducing any additional attendees to you at the start of our call

Next steps:

- 1) Please review the [virtual visit notice](#).
- 2) Test your internet, audio and video connection at <https://zoom.us/test>; this will also direct you to download the appropriate tools for your visits.
- 3) If needed review the VCH website how-to guides – see <http://www.vch.ca/your-care/virtual-health>

If you encounter any technical problems connecting to your Virtual Health Visit, you can call the Patient Virtual Healthcare Tech Support Line for support at 1-844-442-4433 available Monday to Friday 7:00 a.m. - 7:00 p.m. Interpreting services can be requested during your call.
