Executive Interview - Digital Era Leadership Program

Please join us for a 30-min virtual interview and briefing

Greetings Deputy Minister Krishna,

In preparation for the upcoming DELP MOTI Executive session, we are inviting you to a short, one-on-one interview and briefing with our facilitators. Your insights, experiences and involvement are invaluable to us as they will shape the goals and intended outcomes of our in-person sessions and ensure we are bringing relevant, customized content to the program.

Your Interview Details Are as Follows:

- **Date:** Thursday May 2
- **Time:** 9:30am – 10:00am PST
- **Duration:** 30 mins

The purpose of this conversation is to gain deepened insights on the backgrounds, perspectives, and expectations that each member brings to the table. Understanding your unique viewpoint contributes significantly to tailoring the session to meet the needs of the entire group and optimize our time together. In addition, we will discuss your role in setting the scene at the session as well as provide you with some insights gathered from the other Executive interviews.

In preparation for the interview, please consider the below questions:

- What place does digital transformation play in your day-to-day leadership role in MOTI?
- What priorities are at the top of your agenda? (for context)
- To move the digital agenda along (in your area) what more needs to happen?
- What is getting in the way? (barriers to success within your control?)
- What are the opportunities and strengths you see (in MOTI / in your unit / on your team)?

The intention of gathering these insights is to refine the content and format of our group discussions, ensuring a targeted and valuable experience for all. These will be played back thematically at the group MOTI Executive session. Please be assured that your individual responses will be held in strict confidence.

We kindly request you to confirm your availability for this interview by **Monday April 29** by replying directly to this email or reaching out to **Helen Bauer** at **helen.bauer@gov.bc.ca**. Should you need to reschedule or have any questions, please let us know at your earliest convenience.

We look forward to engaging with you personally and truly appreciate the time you're taking to help us prepare for a successful session.

Regards,

DELP Team
