2:00 PM - 3:30 PM	Econ Sector Course Notification: How to Be a 2SLGBTQIA+ Ally -- Microsoft Teams

Allyship isn't a badge you earn. An ally is not a person you become. Allyship is a continuous process of learning about a range of identities and lived experiences and taking courageous action to create a more equitable and inclusive workplace.

2SLGBTQIA+ employees experience discrimination and marginalization in the workplace due to homophobia and transphobia. Discrimination results in slowed career progression and limits growth. Public servants have reported making lateral career movements for safety rather than for a planned upward trajectory.

The work of an ally is to listen, reflect, and learn. Some people end up in marginalized positions because of systemic oppression or other power dynamics. Allies once activated can act from a position of relative advantage for the benefit of those marginalized.

Join us during Pride Month, on **June 17** from **2:00 pm** to **3:30 pm** for a special webinar on how to become an ally to 2SLGBTQIA+ employees. Participate and show support for your Economy sector colleagues.

We look forward to seeing you there!
