**Subject:** RE: Request for briefing - ENV  
**Importance:** High

Hi Heather and Vicki,

I've been asked to reach out to you in order to set up a briefing with Minister Bennett and Environment Ministry staff re. Elizabeth Lake Conservation area near Cranbrook. I understand that this is a topic that Minister Bennett is familiar with. Could you please advise me of some dates/times that would work in Minister Bennett's schedule for this briefing in the near future (we would need approx. 30mins)?

Thanks,

  
Administrative Coordinator to the Honourable Mary Polak
