Subject: Orientation Sessions - 2017 Executive Performance and Succession Management

Date: February 7, 2017

On Wednesday, February 15, 2017, we will launch the 2017 Executive Performance and Succession Management Review. This process will allow us to assess individual performance and provide feedback to contribute to the development of our Ministers, Assistant Deputy Ministers and Executive Leads across the BC Public Service.

As in previous years, the reviews provide executives with an opportunity to receive important feedback on their accomplishments, strengths, and areas for development, and share their career aspirations. This process is a commitment to embed succession management in our leadership practices. Succession plans for Deputy Minister and Assistant Deputy Minister positions will be analyzed to ensure we have a clear picture of our organization's bench strength and a clear picture of our actual and projected vacancies within the next 12 months.

To provide more detailed information and answer any questions you have the 2017 process, we will be holding an online orientation session on one of the following dates:

1. February 15 – 3:30 to 4:30 pm
2. February 17 – 12:30 to 1:30 pm
3. February 20 – 11:00 am to 12:00 pm

These sessions will cover the following:

- The objectives and overview of the 2017 Executive Performance and Succession Management Review
- Information about the process, key dates and participation required; and
- Instructions for preparing your Executive Submission.
