**Arrow / Streamline / Tech Event with John Zubak -- 348 Tranquille Road**

Note – Leah spoke to John 01-31 and he noted there will be a reserved parking spot for MTS.

Hi Todd,

I'm going to be working with Streamline (Arrow) to put together an announcement/ribbon cutting at their new location (former iTel building) would like to target end of January/early February.

Key messages:

- Expansion to new building
- Doubling of staff (plus future anticipated hiring needs)
- Acquisition of DeGama technology out of Montreal
- Acquisition of Spur Technologies out of Vancouver
- Vancouver Spur Staff moving to Kamloops
- Demonstration of there trucking technology (check out YouTube video link below)
- Introduction of some of there driverless technology that is coming down the pipe

[https://youtu.be/\\_11H-pq8\\_Vg](https://youtu.be/_11H-pq8_Vg)

Would like to work on a date that fits with your schedule as this will be an excellent technology announcement for Kamloops, but also a great Trucking/Transportation story.

Was thinking of combining it on the same day as the Innovation Exchange Challenge Roadshow for maximum impact (Streamline is an example of traditional industry using innovation for creating increased efficiency for the trucking industry)

Friday

Possibly an 11AM announcement/ribbon cutting with reception and lunch followed by Innovation Exchange Challenge from 1-4PM all at the same location. Arrow would park one of there rigs for demo's on the trucking system and Spur would have a vehicle outfitted with there technology inside.

When you have some time, give me a call to chat and look at dates (need to figure that part out soon, so I can work backwards on timeline and what needs to be done for greatest impact. (Streamline would invite all key people in the trucking industry and of course the tech sector would be there in full force).

Sincerely,  
<image001.jpg>  
John Zubak

**Streamline Celebration:**

- Official ribbon cutting @ 11:30am
- Speeches from the Honourable Todd Stone, Minister of Transportation and Infrastructure, Honourable Terry Lake, Minister of Health, and BC Innovation Council President and CEO, Carl Anderson.
- Complimentary food and drinks
