### **Heritage train**

The iconic F-unit diesel locomotive CP 1401 (1958) will lead the train, powering more than 10 beautifully restored Royal Canadian Pacific heritage cars. These cars are historical treasures and have hosted some of Canada's – and the world's – most influential minds including Canadian author Pierre Berton; Princess Elizabeth and Prince Phillip (pre-coronation); hockey legend Maurice "Rocket" Richard; then senator J.F. Kennedy and his wife Jacqueline; and Canada's first prime minister Sir John A. Macdonald.

All event guests are welcome to take photos of the train as our exclusive event backdrop.
