Please join the Ministers' and Deputies' Emergency Council (MDEC) call at 5 pm to address the wildfire emergency in the Province.

The MDEC Agenda will be divided into two parts:

- The first part of the agenda will consist of technical briefings. The standard briefings will be given by Wildfire, Emergency Management BC, and Highways. Other updates may also be provided as requested.
- The second part of the agenda will be restricted to Ministers, Deputy Ministers, invited statutory decision makers, and elected officials who have taken the oath of confidentiality. Agenda items for this portion of the meeting will be updated according to responses to the call for agenda items for that meeting.

A call for agenda items will be sent shortly.

Please note that at the conclusion of the technical briefings, only Ministers, Deputy Ministers, invited statutory decision makers, and other elected officials who have taken the oath of confidentiality are invited to stay on the call. If you have any questions, or would like to request an exception, please do not hesitate to contact me.
