We look forward to welcoming you to your organization's 2017 Fall Ceremony. Similar to the last few years, we will NOT be doing a briefing for all VIPs on arrival at Government House. However there will be a short briefing for the Director of Ceremonies and (on request) for any other executive who would like more details in advance or when they arrive.

The roles for Deputy Ministers and HR Directors and their equivalents are to congratulate their employees as they come back to their tables in the Ballroom, after receiving their award in the Drawing Room.

Tuesday

HR DIRECTORS: In the spirit of celebration and collaboration, please invite your LSA ministry contact as your guest to the ceremony. As representatives of your organization, we hope you and your ministry contact can join us and help recognize the contributions of your workplace recipients. Please confirm in your reply who will be attending with you.

Deputy Ministers (or Equivalent) For planning purposes, if you would like to bring a guest, please confirm your guest's name in your reply.

Some additional background information:

The invitations to this year's ceremonies have already been sent to 1535 recipients across government. Here is the list of ALL organizations and ceremony nights for 2017:

Hi Mark,

Hope you had a good summer.

Wondering if you have time for a coffee the week of the 9th?

I'm working on some professional reliance issues around environmental planning and environmental assessments that I'd like to discuss with you. I had an interesting meeting this morning with Pierre Iachetti, he says hello as well.

I'm also wondering about potential contracting opportunities.
