SUMMARY OF EVIDENCE

On 2007 June 23 at approximately 2211hrs., Inspectors McCue, Barrette & Belanger entered Glens Motor Hotel (GMH) cabaret dba Glen Chow Limited, situated at 190W 1st Street Vanderhoof BC to conduct a covert inspection. GMH is a liquor primary establishment license #004246, its hours of operation are from 1100 to 0100hrs., Monday to Thursday 1200 to 0200hrs Friday & Saturday, & from 1100 to 2400hrs Sunday.

Upon entry the inspector team sat in the smoking room which afforded them a good view of the bar & both entrances to the premises.

At approximately 2245hrs., the inspectors noted a male

s.22 enter the smoking room with a female. This male was subsequently identified as one s.22. The female sat down approximately 15" away from the inspectors table while s.22 walked to the bar. McCue noted that when s.22 walked by he appeared to be staggering. McCue followed s.22 to the bar and stood next to him, where he engaged in a conversation with the male bartender ordering a pint of draft beer which the bartender served to him. At this time McCue noted s.22 displayed the following symptoms of intoxication.

1. Slurred speech.
2. Glassy, watery, bloodshot eyes.
3. Fine & gross motor skills were delayed & retarded.
4. The males general appearance was dishevelled & untidy.
5. His balance was unsure, he weaved from front to rear & from side to side while standing stationary at the bar.
6. He was observed to stagger as he returned to the smoking room, nearly spilling the beer in his mug on the floor.
7. There was a strong odour of liquor emanating from his person.

Upon returning to the smoking room s.22 sat down with a group of 6 persons who had previously been playing pool. s.22 was observed to raise his glass to his mouth on two occasions nearly spilling his beer on himself. At one point he slumped forward in his chair & appeared to be sleeping. Upon waking he held his head in his hands, closed his eyes & appeared to be sleeping again.

s.22 awoke and began to fondle a female seated at the table next to him, s.22 became loud & boisterous at this time drawing the attention of other patrons & staff in the premises to himself. A female waitress who was standing in the smoking room attended s.22 table, s.22 ordered a beer, the waitress returned & placed the glass of draft beer in front of him. The waitress returned to the end of the bar next to the inspectors table. Where both she & the bartender engaged in conversation occasionally looking over at s.22 & smiling.

s.22 & his female companion got up from the table & walked past the inspectors to the DJ booth situated at the far side of the premises. s.22 draped his arm around the female & staggered past the bar staff to the DJ booth where he engaged the DJ in conversation. Upon returning to the dance floor s.22 tripped on the rug and nearly fell to the floor. s.22 attempted to dance with his companion, at this point they were the only persons on the dance floor. s.22 was unable to co-ordinate his movements, he wrapped his arms around his companion to hold himself erect. It was observed that s.22 pulled down his pants, & mooned the bar staff & other patrons in the immediate vicinity. It was observed that the male bartender observed this but failed to take any action.

McCue observed on two occasions the licensees s.22 walk out of the restaurant and enter the cabaret. She walked within 10' of s.22 yet said nothing to him or direct staff to request he leave the premises.

s.22 stumbled back to his table & briefly sat down, the same female waitress attended the table to

s.22 stumbled back to his table & briefly sat down, the same female waitress attended the table to take drink orders. s.22 requested another draft beer. The waitress was overheard to say to him, "You'll have to pay for your drinks". s.22 staggered back to the bar, & removed his shirt standing barechested at the bar, he then fumbled for his wallet without locating it. s.22 companion attended at his side, & was overheard to say, s.22 stop it we've been kicked out of every bar in town, do you want us to get kicked out of here"?

As a result of the inspectors observations they formed the opinion that s.22 was grossly intoxicated by liquor. In Insp. McCue's opinion s.22 was one of the most intoxicated persons he has seen in s.22 of his enforcement career.

At 2321hrs the inspector team departed the premises. At no time did the licensees s.22 the bartender or the waitress ask s.22 to leave the premise, but chose to allow him to remain & sold draft beer to him.

On 2007July03 Insp. Belanger contacted Alan Chow licensee of Glen's Motor Hotel, and advised him that a contravention notice would be issued as a result of a covert inspection for Sell Liquor to Intoxicated Person & Permit intoxicated person to remain, Sec.43(1) & 42(2)a of the LCLA.

On 2007July17 Insp. McCue issued CN#B008001 via registered mail to the licensee.

ALLEGED CONTRAVENTION(S)

Contravention Number B008001 : C Selling liquor to intoxicated person, s. 43(1)

Reasons for Recommending Enforcement Action

The licensee is responsible for managing and controlling the establishment so that it does not negatively affect patrons or the community. Intoxication is a serious public safety issue. Intoxicated patrons may be a danger to themselves or the public. Intoxication can be a factor in many crimes, including domestic violence, drug offences, assaults and driving violations. Intoxication is also associated with behaviour that has a negative impact on communities, including late night noise, vandalism and unsanitary behaviour.

Reasons for the Proposed Penalty

A six day suspension of the liquor primary license is recommended as the grossly intoxicated male was in clear view of the bar staff, who served him beer on three occasions without questioning his sobriety or requesting that he leave the premises. In the opinion of Insp. McCue this person was one of the most intoxicated he has seen in his s.22 history in enforcement. It was noted that the licensee walked by the accused twice & failed to take action to cease liquor service to him or request that he leave the premises.

A suspension will re-enforce with the licensee the importance of not permitting intoxicated persons to remain in the establishment. The recommended penalty falls within the penalty range as set out in Schedule 4, Item Number 9 of the Regulations for a first contravention.

Therefore;

For the alleged contravention of Selling liquor to intoxicated person, s. 43(1) (Contravention Notice Number B008001) set out in this notice, the enforcement hearing advocate will recommend to the general manager at an enforcement hearing that a suspension penalty of 6 days is warranted. This recommended suspension penalty falls within the penalty range set out in schedule 4 of the Regulation for a first contravention.

The suspension will be served starting on a Saturday and will continue on successive business days until completed.

LESSER BUT INCLUDED CONTRAVENTIONS

Lesser but included contraventions may be considered in the alternative. The proposed penalty(ies) for the alleged lesser but included contravention(s) are as follows:

Contravention Number B008001 : C Permit intoxicated person to remain, s. 43(2)(b)

Reasons for Recommending Enforcement Action

To avoid the possibility of further liquor consumption and avoid any harm to other patrons or staff, a licensee must not permit a person who is intoxicated to remain in any part of the establishment where liquor is served. To ensure their safety, intoxicated persons may remain in unlicensed areas of an establishment while waiting for assistance or a ride home.

Reasons for the Proposed Penalty

A six day suspension of the liquor primary license is recommended as the grossly intoxicated male was in clear view of both the bartender & waitress for approximately 30 minutes. The licensee walked by this male on two occasions within 5 feet of his table & failed to note his level of sobriety. This male drew attention to himself by his loud boisterous unorthodox behaviours, prompting other patrons to turn their attention towards him. Insp. McCue advises that this male was one of the most intoxicated persons he had seen in his s.22 history in the enforcement field. At no time during the inspectors observations of this male, did the bar staff, licensee or any other person request he leave the premises.

A suspension will re-enforce with the licensee the importance of not permitting intoxicated persons to remain in the establishment. The recommended penalty falls within the penalty range as set out in Schedule 4, Item number 11 of the Regulations for a first contravention.

Therefore;

For the alleged contravention of Permit intoxicated person to remain, s. 43(2)(b) (Contravention Notice Number B008001) set out in this notice, the enforcement hearing advocate will recommend to the general manager at an enforcement hearing that a suspension penalty of 6 days is warranted. This recommended suspension penalty falls within the penalty range set out in schedule 4 of the Regulation for a first contravention.

The suspension will be served starting on a Saturday and will continue on successive business days until completed.

THE PROCEDURES

An enforcement hearing may be scheduled to determine whether the alleged contravention(s) occurred and the appropriate penalty, if any, that should be imposed. You can contest the contravention(s) and/or the proposed penalty at the enforcement hearing.

Please Note: If a penalty is warranted, the General Manager may;

- Impose a suspension of the liquor license for a period of time;
- Cancel a liquor license;
- Impose terms and conditions to a license or rescind or amend existing terms and conditions;
- Impose a monetary penalty; or
- Order a licensee to transfer a license.

An enforcement hearing can be time consuming and costly for all participants. If you sign a waiver, there will be no need for an enforcement hearing for the alleged contravention(s) or the lesser but included contravention(s). By signing the waiver, you expressly and irrevocably:

- Agree that the contravention(s) occurred,
- Accept the proposed penalty in this letter,
- Waive the enforcement hearing, and
- Agree that the finding(s) of contravention(s) and the penalty will form part of your compliance history as a licensee.

Generally, the waiver must be signed within 14 days of the date of this letter. If you decide you want to sign a waiver, please contact me as soon as possible to arrange an appointment.
