Subject: Welcome

I am pleased to announce Rob Mingay's appointment as the Assistant Deputy Minister of Workforce Development, effective today. Rob's position is new to the Ministry and will bring a sharper focus to our work to ensure effective measures are in place for developing British Columbia's labour market as our economy expands. This will include leadership of a key government priority – the Premier's LNG Working Group Secretariat.

Rob's extensive experience in the public and private sectors, most recently as an ADM with the Public Sector Employers' Council Secretariat, provide him with a unique and demonstrated ability to develop

strategic relationship and leadership in complex multi-party negotiations. He also has a range of important contributions associated with the 2010 Olympic and Paralympic Games venue productions, provision of strategic policy, program and communications advice to industry and organized labour groups and leadership role as a senior advisor within government.

Please join me and the rest of the Executive team in welcoming Rob to the Ministry.

Subject: FYI - PSEC Staffing Changes

Good morning,

I am writing on behalf of Lee Doney, Interim CEO, to inform you of some exciting changes taking place at PSEC Secretariat.

NR

Rob Mingay is departing PSEC to focus on new horizons that include the Premier's LNG Working Group Secretariat as the ADM of Workforce Development in the Ministry of Jobs, Tourism and Skills Training. Rob's contribution to PSEC began as a consultant before his time as ADM. We benefited greatly from his experience and particularly from his good humour through the past few years. He will be missed at PSEC and we wish him well on his next endeavour.
