NOTICE - SOLD SUBJECT TO TARIFF REGULATIONS

CONDITIONS OF CONTRACT AND OTHER IMPORTANT NOTICES

PASSENGERS ON A JOURNEY INVOLVING AN ULTIMATE DESTINATION OR A STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE ARE ADVISED THAT INTERNATIONAL TREATIES KNOWN AS THE MONTREAL CONVENTION, OR ITS PREDECESSOR, THE WARSAW CONVENTION, INCLUDING ITS AMENDMENTS (THE WARSAW CONVENTION SYSTEM), MAY APPLY TO THE ENTIRE JOURNEY, INCLUDING ANY PORTION THEREOF WITHIN A COUNTRY. FOR SUCH PASSENGERS, THE APPLICABLE TREATY, INCLUDING

SPECIAL CONTRACTS OF CARRIAGE EMBODIED IN ANY APPLICABLE TARIFFS, GOVERNS AND MAY LIMIT THE LIABILITY OF THE CARRIER.

NOTICE of Liability Limitations

The Montreal Convention or the Warsaw Convention system may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss of or damage to baggage, and for delay.

Where the Montreal Conventions applies, the limits of liability are as follows:

1. There are no financial limits in respect of death or bodily injury.
2. In respect of destruction, loss of, or damage or delay to baggage, 1,131 Special Drawing Rights (approximately EUR 1,357; US \$1,663) per passenger in most cases.
3. For damage occasioned by delay to your journey, 4,694 Special Drawing Rights (approximately EUR 5,655; US \$6,786) per passenger in most cases.

Where the Warsaw Convention system applies, the following limits of liability may apply:

1. 16,600 Special Drawing Rights (approximately EUR 20,000; US \$20,000) in respect of death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000; US \$10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and US regulations require that, for journeys to, from or with an agreed stopping place in the US, the limit may not be less than US \$75,000.
2. 17 Special Drawing Rights (approximately EUR 20; US \$20) per kg for loss of or damage or delay to checked baggage, and 332 Special Drawing Rights (approximately EUR 400; US \$400) for unchecked baggage.
3. The carrier may also be liable for damage occasioned by delay.

Where neither the Montreal Convention nor the Warsaw Convention system applies: For travel wholly between points in Canada, the liability limit is \$1,500 CAD per passenger.

Further information may be obtained from the carrier as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively, if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. Baggage claims: Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

Notice of Contract Terms Incorporated by Reference

1. Your contract of carriage with the carrier that provides you with carriage by air, whether international, domestic or a domestic portion of an international journey is subject to this notice; to any notice or receipt of the carrier; and to the carrier's individual terms and conditions (Conditions), related rules, regulations and policies (Regulations) and any applicable tariffs.
2. If your carriage is by more than one carrier, different Conditions, Regulations and any applicable tariffs may apply for each carrier.
3. The Conditions, Regulations and any applicable tariffs of each carrier are, by this notice, incorporated by reference into and made part of your contract of carriage.
4. The Conditions may include, but are not restricted to:
 - Conditions and limits on the carrier's liability for the bodily injury or death of passengers.
 - Conditions and limits on the carrier's liability for the loss of, damage to or delay of goods and baggage, including fragile or perishable goods.
 - Rules for declaring a higher value for baggage and for paying any supplementary fee that may apply.
 - Application of the carrier's Conditions and limits of liability to the acts of the carrier's agents, servants and representatives, including any person providing either equipment or services to the carrier.
 - Claims restrictions, including time limits by which passengers must file claims or bring actions against the carrier.

- Rules about reconfirmations or reservations; check in times; the use, duration and validity of air transportation services; and the carrier's right to refuse carriage.
 - Rights of the carrier and limits on the carrier's liability for delay or failure to perform a service, including schedule changes, substitution of alternative carriers or aircraft and re-routing, and, when required by applicable law, the obligation of the carrier to notify passengers of the identity of the operating carrier or substituted aircraft.
 - Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.
5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carrier's airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.
6. If a carrier sells air transportation services or checks baggage specifying carriage with another carrier, it does so only as agent for the other carrier.

GOVERNMENTS MAY REQUIRE YOUR CARRIER TO PROVIDE INFORMATION ON OR PERMIT ACCESS TO PASSENGER DATA.

OVERBOOKING NOTICE

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at airport ticket counters and boarding locations.

 - Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.
5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carrier's airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.

GOVERNMENTS MAY REQUIRE YOUR CARRIER TO PROVIDE INFORMATION ON OR PERMIT ACCESS TO PASSENGER DATA.

OVERBOOKING NOTICE

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at airport ticket counters and boarding locations.

NOTICE - SOLD SUBJECT TO TARIFF REGULATIONS

CONDITIONS OF CONTRACT AND OTHER IMPORTANT NOTICES

PASSENGERS ON A JOURNEY INVOLVING AN ULTIMATE DESTINATION OR A STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE ARE ADVISED THAT INTERNATIONAL TREATIES KNOWN AS THE MONTREAL CONVENTION, OR ITS PREDECESSOR, THE WARSAW CONVENTION, INCLUDING ITS AMENDMENTS (THE WARSAW CONVENTION SYSTEM), MAY APPLY TO THE ENTIRE JOURNEY, INCLUDING ANY PORTION THEREOF WITHIN A COUNTRY. FOR SUCH PASSENGERS, THE APPLICABLE TREATY, INCLUDING

SPECIAL CONTRACTS OF CARRIAGE EMBODIED IN ANY APPLICABLE TARIFFS, GOVERNS AND MAY LIMIT THE LIABILITY OF THE CARRIER.

NOTICE of Liability Limitations

The Montreal Convention or the Warsaw Convention system may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss of or damage to baggage, and for delay.

Where the Montreal Conventions applies, the limits of liability are as follows:

1. There are no financial limits in respect of death or bodily injury.
2. In respect of destruction, loss of, or damage or delay to baggage, 1,131 Special Drawing Rights (approximately EUR 1,357; US \$1,663) per passenger in most cases.
3. For damage occasioned by delay to your journey, 4,694 Special Drawing Rights (approximately EUR 5,655; US \$6,786) per passenger in most cases.

Where the Warsaw Convention system applies, the following limits of liability may apply:

1. 16,600 Special Drawing Rights (approximately EUR 20,000; US \$20,000) in respect of death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000; US \$10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and US regulations require that, for journeys to, from or with an agreed stopping place in the US, the limit may not be less than US \$75,000.
2. 17 Special Drawing Rights (approximately EUR 20; US \$20) per kg for loss of or damage or delay to checked baggage, and 332 Special Drawing Rights (approximately EUR 400; US \$400) for unchecked baggage.
3. The carrier may also be liable for damage occasioned by delay.

Where neither the Montreal Convention nor the Warsaw Convention system applies: For travel wholly between points in Canada, the liability limit is \$1,500 CAD per passenger.

Further information may be obtained from the carrier as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively, if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. Baggage claims: Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

Notice of Contract Terms Incorporated by Reference

1. Your contract of carriage with the carrier that provides you with carriage by air, whether international, domestic or a domestic portion of an international journey is subject to this notice; to any notice or receipt of the carrier; and to the carrier's individual terms and conditions (Conditions), related rules, regulations and policies (Regulations) and any applicable tariffs.
2. If your carriage is by more than one carrier, different Conditions, Regulations and any applicable tariffs may apply for each carrier.
3. The Conditions, Regulations and any applicable tariffs of each carrier are, by this notice, incorporated by reference into and made part of your contract of carriage.
4. The Conditions may include, but are not restricted to:
 - Conditions and limits on the carrier's liability for the bodily injury or death of passengers.
 - Conditions and limits on the carrier's liability for the loss of, damage to or delay of goods and baggage, including fragile or perishable goods.
 - Rules for declaring a higher value for baggage and for paying any supplementary fee that may apply.
 - Application of the carrier's Conditions and limits of liability to the acts of the carrier's agents, servants and representatives, including any person providing either equipment or services to the carrier.
 - Claims restrictions, including time limits by which passengers must file claims or bring actions against the carrier.

- Rules about reconfirmations or reservations; check in times; the use, duration and validity of air transportation services; and the carrier's right to refuse carriage.
 - Rights of the carrier and limits on the carrier's liability for delay or failure to perform a service, including schedule changes, substitution of alternative carriers or aircraft and re-routing, and, when required by applicable law, the obligation of the carrier to notify passengers of the identity of the operating carrier or substituted aircraft.
 - Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.
5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carrier's airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.
6. If a carrier sells air transportation services or checks baggage specifying carriage with another carrier, it does so only as agent for the other carrier.

GOVERNMENTS MAY REQUIRE YOUR CARRIER TO PROVIDE INFORMATION ON OR PERMIT ACCESS TO PASSENGER DATA.

NOTICE - SOLD SUBJECT TO TARIFF REGULATIONS

CONDITIONS OF CONTRACT AND OTHER IMPORTANT NOTICES

PASSENGERS ON A JOURNEY INVOLVING AN ULTIMATE DESTINATION OR A STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE ARE ADVISED THAT INTERNATIONAL TREATIES KNOWN AS THE MONTREAL CONVENTION, OR ITS PREDECESSOR, THE WARSAW CONVENTION, INCLUDING ITS AMENDMENTS (THE WARSAW CONVENTION SYSTEM), MAY APPLY TO THE ENTIRE JOURNEY, INCLUDING ANY PORTION THEREOF WITHIN A COUNTRY. FOR SUCH PASSENGERS, THE APPLICABLE TREATY, INCLUDING SPECIAL CONTRACTS OF CARRIAGE EMBODIED IN ANY APPLICABLE TARIFFS, GOVERNS AND MAY LIMIT THE LIABILITY OF THE CARRIER.

NOTICE of Liability Limitations

The Montreal Convention or the Warsaw Convention system may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss of or damage to baggage, and for delay.

Where the Montreal Conventions applies, the limits of liability are as follows:

1. There are no financial limits in respect of death or bodily injury.
2. In respect of destruction, loss of, or damage or delay to baggage, 1,131 Special Drawing Rights (approximately EUR 1,357; US \$1,663) per passenger in most cases.
3. For damage occasioned by delay to your journey, 4,694 Special Drawing Rights (approximately EUR 5,655; US \$6,786) per passenger in most cases.

Where the Warsaw Convention system applies, the following limits of liability may apply:

1. 16,600 Special Drawing Rights (approximately EUR 20,000; US \$20,000) in respect of death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000; US \$10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and US regulations require that, for journeys to, from or with an agreed stopping place in the US, the limit may not be less than US \$75,000.
2. 17 Special Drawing Rights (approximately EUR 20; US \$20) per kg for loss of or damage or delay to checked baggage, and 332 Special Drawing Rights (approximately EUR 400; US \$400) for unchecked baggage.
3. The carrier may also be liable for damage occasioned by delay.

Where neither the Montreal Convention nor the Warsaw Convention system applies: For travel wholly between points in Canada, the liability limit is \$1,500 CAD per passenger.

Further information may be obtained from the carrier as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively, if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. Baggage claims: Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

Notice of Contract Terms Incorporated by Reference

1. Your contract of carriage with the carrier that provides you with carriage by air, whether international, domestic or a domestic portion of an international journey is subject to this notice; to any notice or receipt of the carrier; and to the carrier's individual terms and conditions (Conditions), related rules, regulations and policies (Regulations) and any applicable tariffs.
2. If your carriage is by more than one carrier, different Conditions, Regulations and any applicable tariffs may apply for each carrier.
3. The Conditions, Regulations and any applicable tariffs of each carrier are, by this notice, incorporated by reference into and made part of your contract of carriage.
4. The Conditions may include, but are not restricted to:
 - Conditions and limits on the carrier's liability for the bodily injury or death of passengers.
 - Conditions and limits on the carrier's liability for the loss of, damage to or delay of goods and baggage, including fragile or perishable goods.
 - Rules for declaring a higher value for baggage and for paying any supplementary fee that may apply.
 - Application of the carrier's Conditions and limits of liability to the acts of the carrier's agents, servants and representatives, including any person providing either equipment or services to the carrier.
 - Claims restrictions, including time limits by which passengers must file claims or bring actions against the carrier.
 - Rules about reconfirmations or reservations; check in times; the use, duration and validity of air transportation services; and the carrier's right to refuse carriage.
 - Rights of the carrier and limits on the carrier's liability for delay or failure to perform a service, including schedule changes, substitution of alternative carriers or aircraft and re-routing, and, when required by applicable law, the obligation of the carrier to notify passengers of the identity of the operating carrier or substituted aircraft.
 - Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.
5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carrier's airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.
6. If a carrier sells air transportation services or checks baggage specifying carriage with another carrier, it does so only as agent for the other carrier.

GOVERNMENTS MAY REQUIRE YOUR CARRIER TO PROVIDE INFORMATION ON OR PERMIT ACCESS TO PASSENGER DATA.

OVERBOOKING NOTICE

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at airport ticket counters and boarding locations.

OVERBOOKING NOTICE

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at airport ticket counters and boarding locations.

NOTICE - SOLD SUBJECT TO TARIFF REGULATIONS

CONDITIONS OF CONTRACT AND OTHER IMPORTANT NOTICES

PASSENGERS ON A JOURNEY INVOLVING AN ULTIMATE DESTINATION OR A STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE ARE ADVISED THAT INTERNATIONAL TREATIES KNOWN AS THE MONTREAL CONVENTION, OR ITS PREDECESSOR, THE WARSAW CONVENTION, INCLUDING ITS AMENDMENTS (THE WARSAW CONVENTION SYSTEM), MAY APPLY TO THE ENTIRE JOURNEY, INCLUDING ANY PORTION THEREOF WITHIN A COUNTRY. FOR SUCH PASSENGERS, THE APPLICABLE TREATY, INCLUDING

SPECIAL CONTRACTS OF CARRIAGE EMBODIED IN ANY APPLICABLE TARIFFS, GOVERNS AND MAY LIMIT THE LIABILITY OF THE CARRIER.

NOTICE of Liability Limitations

The Montreal Convention or the Warsaw Convention system may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss of or damage to baggage, and for delay.

Where the Montreal Conventions applies, the limits of liability are as follows:

1. There are no financial limits in respect of death or bodily injury.
2. In respect of destruction, loss of, or damage or delay to baggage, 1,131 Special Drawing Rights (approximately EUR 1,357; US \$1,663) per passenger in most cases.
3. For damage occasioned by delay to your journey, 4,694 Special Drawing Rights (approximately EUR 5,655; US \$6,786) per passenger in most cases.

Where the Warsaw Convention system applies, the following limits of liability may apply:

1. 16,600 Special Drawing Rights (approximately EUR 20,000; US \$20,000) in respect of death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000; US \$10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and US regulations require that, for journeys to, from or with an agreed stopping place in the US, the limit may not be less than US \$75,000.
2. 17 Special Drawing Rights (approximately EUR 20; US \$20) per kg for loss of or damage or delay to checked baggage, and 332 Special Drawing Rights (approximately EUR 400; US \$400) for unchecked baggage.
3. The carrier may also be liable for damage occasioned by delay.

Where neither the Montreal Convention nor the Warsaw Convention system applies: For travel wholly between points in Canada, the liability limit is \$1,500 CAD per passenger.

Further information may be obtained from the carrier as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively, if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. Baggage claims: Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

Notice of Contract Terms Incorporated by Reference

1. Your contract of carriage with the carrier that provides you with carriage by air, whether international, domestic or a domestic portion of an international journey is subject to this notice; to any notice or receipt of the carrier; and to the carrier's individual terms and conditions (Conditions), related rules, regulations and policies (Regulations) and any applicable tariffs.
2. If your carriage is by more than one carrier, different Conditions, Regulations and any applicable tariffs may apply for each carrier.
3. The Conditions, Regulations and any applicable tariffs of each carrier are, by this notice, incorporated by reference into and made part of your contract of carriage.
4. The Conditions may include, but are not restricted to:
 - Conditions and limits on the carrier's liability for the bodily injury or death of passengers.
 - Conditions and limits on the carrier's liability for the loss of, damage to or delay of goods and baggage, including fragile or perishable goods.
 - Rules for declaring a higher value for baggage and for paying any supplementary fee that may apply.
 - Application of the carrier's Conditions and limits of liability to the acts of the carrier's agents, servants and representatives, including any person providing either equipment or services to the carrier.
 - Claims restrictions, including time limits by which passengers must file claims or bring actions against the carrier.

- Rules about reconfirmations or reservations; check in times; the use, duration and validity of air transportation services; and the carrier's right to refuse carriage.
 - Rights of the carrier and limits on the carrier's liability for delay or failure to perform a service, including schedule changes, substitution of alternative carriers or aircraft and re-routing, and, when required by applicable law, the obligation of the carrier to notify passengers of the identity of the operating carrier or substituted aircraft.
 - Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.
5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carrier's airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.
6. If a carrier sells air transportation services or checks baggage specifying carriage with another carrier, it does so only as agent for the other carrier.

GOVERNMENTS MAY REQUIRE YOUR CARRIER TO PROVIDE INFORMATION ON OR PERMIT ACCESS TO PASSENGER DATA.

NOTICE - SOLD SUBJECT TO TARIFF REGULATIONS

CONDITIONS OF CONTRACT AND OTHER IMPORTANT NOTICES

PASSENGERS ON A JOURNEY INVOLVING AN ULTIMATE DESTINATION OR A STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE ARE ADVISED THAT INTERNATIONAL TREATIES KNOWN AS THE MONTREAL CONVENTION, OR ITS PREDECESSOR, THE WARSAW CONVENTION, INCLUDING ITS AMENDMENTS (THE WARSAW CONVENTION SYSTEM), MAY APPLY TO THE ENTIRE JOURNEY, INCLUDING ANY PORTION THEREOF WITHIN A COUNTRY. FOR SUCH PASSENGERS, THE APPLICABLE TREATY, INCLUDING

SPECIAL CONTRACTS OF CARRIAGE EMBODIED IN ANY APPLICABLE TARIFFS, GOVERNS AND MAY LIMIT THE LIABILITY OF THE CARRIER.

NOTICE of Liability Limitations

The Montreal Convention or the Warsaw Convention system may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss of or damage to baggage, and for delay.

Where the Montreal Conventions applies, the limits of liability are as follows:

1. There are no financial limits in respect of death or bodily injury.
2. In respect of destruction, loss of, or damage or delay to baggage, 1,131 Special Drawing Rights (approximately EUR 1,357; US \$1,663) per passenger in most cases.
3. For damage occasioned by delay to your journey, 4,694 Special Drawing Rights (approximately EUR 5,655; US \$6,786) per passenger in most cases.

Where the Warsaw Convention system applies, the following limits of liability may apply:

1. 16,600 Special Drawing Rights (approximately EUR 20,000; US \$20,000) in respect of death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000; US \$10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and US regulations require that, for journeys to, from or with an agreed stopping place in the US, the limit may not be less than US \$75,000.
2. 17 Special Drawing Rights (approximately EUR 20; US \$20) per kg for loss of or damage or delay to checked baggage, and 332 Special Drawing Rights (approximately EUR 400; US \$400) for unchecked baggage.
3. The carrier may also be liable for damage occasioned by delay.

Where neither the Montreal Convention nor the Warsaw Convention system applies: For travel wholly between points in Canada, the liability limit is \$1,500 CAD per passenger.

Further information may be obtained from the carrier as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively, if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. Baggage claims: Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

Notice of Contract Terms Incorporated by Reference

1. Your contract of carriage with the carrier that provides you with carriage by air, whether international, domestic or a domestic portion of an international journey is subject to this notice; to any notice or receipt of the carrier; and to the carrier's individual terms and conditions (Conditions), related rules, regulations and policies (Regulations) and any applicable tariffs.
2. If your carriage is by more than one carrier, different Conditions, Regulations and any applicable tariffs may apply for each carrier.
3. The Conditions, Regulations and any applicable tariffs of each carrier are, by this notice, incorporated by reference into and made part of your contract of carriage.
4. The Conditions may include, but are not restricted to:
 - Conditions and limits on the carrier's liability for the bodily injury or death of passengers.
 - Conditions and limits on the carrier's liability for the loss of, damage to or delay of goods and baggage, including fragile or perishable goods.
 - Rules for declaring a higher value for baggage and for paying any supplementary fee that may apply.
 - Application of the carrier's Conditions and limits of liability to the acts of the carrier's agents, servants and representatives, including any person providing either equipment or services to the carrier.
 - Claims restrictions, including time limits by which passengers must file claims or bring actions against the carrier.

- Rules about reconfirmations or reservations; check in times; the use, duration and validity of air transportation services; and the carrier's right to refuse carriage.
 - Rights of the carrier and limits on the carrier's liability for delay or failure to perform a service, including schedule changes, substitution of alternative carriers or aircraft and re-routing, and, when required by applicable law, the obligation of the carrier to notify passengers of the identity of the operating carrier or substituted aircraft.
 - Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.
5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carrier's airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.
6. If a carrier sells air transportation services or checks baggage specifying carriage with another carrier, it does so only as agent for the other carrier.

GOVERNMENTS MAY REQUIRE YOUR CARRIER TO PROVIDE INFORMATION ON OR PERMIT ACCESS TO PASSENGER DATA.

OVERBOOKING NOTICE

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at airport ticket counters and boarding locations.

OVERBOOKING NOTICE

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. NOTICE - SOLD SUBJECT TO TARIFF REGULATIONS

CONDITIONS OF CONTRACT AND OTHER IMPORTANT NOTICES

PASSENGERS ON A JOURNEY INVOLVING AN ULTIMATE DESTINATION OR A STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE ARE ADVISED THAT INTERNATIONAL TREATIES KNOWN AS THE MONTREAL CONVENTION, OR ITS PREDECESSOR, THE WARSAW CONVENTION, INCLUDING ITS AMENDMENTS (THE WARSAW CONVENTION SYSTEM), MAY APPLY TO THE ENTIRE JOURNEY, INCLUDING ANY PORTION THEREOF WITHIN A COUNTRY. FOR SUCH PASSENGERS, THE APPLICABLE TREATY, INCLUDING

SPECIAL CONTRACTS OF CARRIAGE EMBODIED IN ANY APPLICABLE TARIFFS, GOVERNS AND MAY LIMIT THE LIABILITY OF THE CARRIER.

NOTICE of Liability Limitations

The Montreal Convention or the Warsaw Convention system may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss of or damage to baggage, and for delay.

Where the Montreal Conventions applies, the limits of liability are as follows:

1. There are no financial limits in respect of death or bodily injury.
2. In respect of destruction, loss of, or damage or delay to baggage, 1,131 Special Drawing Rights (approximately EUR 1,357; US \$1,663) per passenger in most cases.
3. For damage occasioned by delay to your journey, 4,694 Special Drawing Rights (approximately EUR 5,655; US \$6,786) per passenger in most cases.

Where the Warsaw Convention system applies, the following limits of liability may apply:

1. 16,600 Special Drawing Rights (approximately EUR 20,000; US \$20,000) in respect of death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000; US \$10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and US regulations require that, for journeys to, from or with an agreed stopping place in the US, the limit may not be less than US \$75,000.
2. 17 Special Drawing Rights (approximately EUR 20; US \$20) per kg for loss of or damage or delay to checked baggage, and 332 Special Drawing Rights (approximately EUR 400; US \$400) for unchecked baggage.
3. The carrier may also be liable for damage occasioned by delay.

Where neither the Montreal Convention nor the Warsaw Convention system applies: For travel wholly between points in Canada, the liability limit is \$1,500 CAD per passenger.

Further information may be obtained from the carrier as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively, if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. Baggage claims: Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

Notice of Contract Terms Incorporated by Reference

1. Your contract of carriage with the carrier that provides you with carriage by air, whether international, domestic or a domestic portion of an international journey is subject to this notice; to any notice or receipt of the carrier; and to the carrier's individual terms and conditions (Conditions), related rules, regulations and policies (Regulations) and any applicable tariffs.
2. If your carriage is by more than one carrier, different Conditions, Regulations and any applicable tariffs may apply for each carrier.
3. The Conditions, Regulations and any applicable tariffs of each carrier are, by this notice, incorporated by reference into and made part of your contract of carriage.
4. The Conditions may include, but are not restricted to:
 - Conditions and limits on the carrier's liability for the bodily injury or death of passengers.
 - Conditions and limits on the carrier's liability for the loss of, damage to or delay of goods and baggage, including fragile or perishable goods.
 - Rules for declaring a higher value for baggage and for paying any supplementary fee that may apply.
 - Application of the carrier's Conditions and limits of liability to the acts of the carrier's agents, servants and representatives, including any person providing either equipment or services to the carrier.
 - Claims restrictions, including time limits by which passengers must file claims or bring actions against the carrier.

- Rules about reconfirmations or reservations; check in times; the use, duration and validity of air transportation services; and the carrier's right to refuse carriage.
 - Rights of the carrier and limits on the carrier's liability for delay or failure to perform a service, including schedule changes, substitution of alternative carriers or aircraft and re-routing, and, when required by applicable law, the obligation of the carrier to notify passengers of the identity of the operating carrier or substituted aircraft.
 - Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.
5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carrier's airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.
6. If a carrier sells air transportation services or checks baggage specifying carriage with another carrier, it does so only as agent for the other carrier.

GOVERNMENTS MAY REQUIRE YOUR CARRIER TO PROVIDE INFORMATION ON OR PERMIT ACCESS TO PASSENGER DATA.

NOTICE - SOLD SUBJECT TO TARIFF REGULATIONS

CONDITIONS OF CONTRACT AND OTHER IMPORTANT NOTICES

PASSENGERS ON A JOURNEY INVOLVING AN ULTIMATE DESTINATION OR A STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE ARE ADVISED THAT INTERNATIONAL TREATIES KNOWN AS THE MONTREAL CONVENTION, OR ITS PREDECESSOR, THE WARSAW CONVENTION, INCLUDING ITS AMENDMENTS (THE WARSAW CONVENTION SYSTEM), MAY APPLY TO THE ENTIRE JOURNEY, INCLUDING ANY PORTION THEREOF WITHIN A COUNTRY. FOR SUCH PASSENGERS, THE APPLICABLE TREATY, INCLUDING SPECIAL CONTRACTS OF CARRIAGE EMBODIED IN ANY APPLICABLE TARIFFS, GOVERNS AND MAY LIMIT THE LIABILITY OF THE CARRIER.

NOTICE of Liability Limitations

The Montreal Convention or the Warsaw Convention system may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss of or damage to baggage, and for delay.

Where the Montreal Conventions applies, the limits of liability are as follows:

1. There are no financial limits in respect of death or bodily injury.
2. In respect of destruction, loss of, or damage or delay to baggage, 1,131 Special Drawing Rights (approximately EUR 1,357; US \$1,663) per passenger in most cases.
3. For damage occasioned by delay to your journey, 4,694 Special Drawing Rights (approximately EUR 5,655; US \$6,786) per passenger in most cases.

Where the Warsaw Convention system applies, the following limits of liability may apply:

1. 16,600 Special Drawing Rights (approximately EUR 20,000; US \$20,000) in respect of death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000; US \$10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and US regulations require that, for journeys to, from or with an agreed stopping place in the US, the limit may not be less than US \$75,000.
2. 17 Special Drawing Rights (approximately EUR 20; US \$20) per kg for loss of or damage or delay to checked baggage, and 332 Special Drawing Rights (approximately EUR 400; US \$400) for unchecked baggage.
3. The carrier may also be liable for damage occasioned by delay.

Where neither the Montreal Convention nor the Warsaw Convention system applies: For travel wholly between points in Canada, the liability limit is \$1,500 CAD per passenger.

Further information may be obtained from the carrier as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively, if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. Baggage claims: Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

Notice of Contract Terms Incorporated by Reference

1. Your contract of carriage with the carrier that provides you with carriage by air, whether international, domestic or a domestic portion of an international journey is subject to this notice; to any notice or receipt of the carrier; and to the carrier's individual terms and conditions (Conditions), related rules, regulations and policies (Regulations) and any applicable tariffs.
2. If your carriage is by more than one carrier, different Conditions, Regulations and any applicable tariffs may apply for each carrier.
3. The Conditions, Regulations and any applicable tariffs of each carrier are, by this notice, incorporated by reference into and made part of your contract of carriage.
4. The Conditions may include, but are not restricted to:
 - Conditions and limits on the carrier's liability for the bodily injury or death of passengers.
 - Conditions and limits on the carrier's liability for the loss of, damage to or delay of goods and baggage, including fragile or perishable goods.
 - Rules for declaring a higher value for baggage and for paying any supplementary fee that may apply.
 - Application of the carrier's Conditions and limits of liability to the acts of the carrier's agents, servants and representatives, including any person providing either equipment or services to the carrier.
 - Claims restrictions, including time limits by which passengers must file claims or bring actions against the carrier.
 - Rules about reconfirmations or reservations; check in times; the use, duration and validity of air transportation services; and the carrier's right to refuse carriage.
 - Rights of the carrier and limits on the carrier's liability for delay or failure to perform a service, including schedule changes, substitution of alternative carriers or aircraft and re-routing, and, when required by applicable law, the obligation of the carrier to notify passengers of the identity of the operating carrier or substituted aircraft.
 - Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.
5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carrier's airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.
6. If a carrier sells air transportation services or checks baggage specifying carriage with another carrier, it does so only as agent for the other carrier.

GOVERNMENTS MAY REQUIRE YOUR CARRIER TO PROVIDE INFORMATION ON OR PERMIT ACCESS TO PASSENGER DATA.

OVERBOOKING NOTICE

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at airport ticket counters and boarding locations.

CONDITIONS OF CONTRACT AND OTHER IMPORTANT NOTICES

PASSENGERS ON A JOURNEY INVOLVING AN ULTIMATE DESTINATION OR A STOP IN A COUNTRY OTHER THAN THE COUNTRY OF DEPARTURE ARE ADVISED THAT INTERNATIONAL TREATIES KNOWN AS THE MONTREAL CONVENTION, OR ITS PREDECESSOR, THE WARSAW CONVENTION, INCLUDING ITS AMENDMENTS (THE WARSAW CONVENTION SYSTEM), MAY APPLY TO THE ENTIRE JOURNEY, INCLUDING ANY PORTION THEREOF WITHIN A COUNTRY. FOR SUCH PASSENGERS, THE APPLICABLE TREATY, INCLUDING SPECIAL CONTRACTS OF CARRIAGE EMBODIED IN ANY APPLICABLE TARIFFS, GOVERNS AND MAY LIMIT THE LIABILITY OF THE CARRIER.

NOTICE of Liability Limitations

The Montreal Convention or the Warsaw Convention system may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss of or damage to baggage, and for delay.

Where the Montreal Conventions applies, the limits of liability are as follows:

1. There are no financial limits in respect of death or bodily injury.
2. In respect of destruction, loss of, or damage or delay to baggage, 1,131 Special Drawing Rights (approximately EUR 1,357; US \$1,663) per passenger in most cases.
3. For damage occasioned by delay to your journey, 4,694 Special Drawing Rights (approximately EUR 5,655; US \$6,786) per passenger in most cases.

Where the Warsaw Convention system applies, the following limits of liability may apply:

1. 16,600 Special Drawing Rights (approximately EUR 20,000; US \$20,000) in respect of death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000; US \$10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits in their entirety, and US regulations require that, for journeys to, from or with an agreed stopping place in the US, the limit may not be less than US \$75,000.
2. 17 Special Drawing Rights (approximately EUR 20; US \$20) per kg for loss of or damage or delay to checked baggage, and 332 Special Drawing Rights (approximately EUR 400; US \$400) for unchecked baggage.
3. The carrier may also be liable for damage occasioned by delay.

Where neither the Montreal Convention nor the Warsaw Convention system applies: For travel wholly between points in Canada, the liability limit is \$1,500 CAD per passenger.

Further information may be obtained from the carrier as to the limits applicable to your journey. If your journey involves carriage by different carriers, you should contact each carrier for information on the applicable limits of liability.

Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying any supplementary fee that may apply. Alternatively, if the value of your baggage exceeds the applicable limit of liability, you should fully insure it before you travel.

Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. Baggage claims: Written notice to the carrier must be made within 7 days of the receipt of checked baggage in the case of damage, and, in the case of delay, within 21 days from the date on which it was placed at the disposal of the passenger.

Notice of Contract Terms Incorporated by Reference

1. Your contract of carriage with the carrier that provides you with carriage by air, whether international, domestic or a domestic portion of an international journey is subject to this notice; to any notice or receipt of the carrier; and to the carrier's individual terms and conditions (Conditions), related rules, regulations and policies (Regulations) and any applicable tariffs.
2. If your carriage is by more than one carrier, different Conditions, Regulations and any applicable tariffs may apply for each carrier.
3. The Conditions, Regulations and any applicable tariffs of each carrier are, by this notice, incorporated by reference into and made part of your contract of carriage.
4. The Conditions may include, but are not restricted to:
 - Conditions and limits on the carrier's liability for the bodily injury or death of passengers.
 - Conditions and limits on the carrier's liability for the loss of, damage to or delay of goods and baggage, including fragile or perishable goods.
 - Rules for declaring a higher value for baggage and for paying any supplementary fee that may apply.
 - Application of the carrier's Conditions and limits of liability to the acts of the carrier's agents, servants and representatives, including any person providing either equipment or services to the carrier.
 - Claims restrictions, including time limits by which passengers must file claims or bring actions against the carrier.
 - Rules about reconfirmations or reservations; check in times; the use, duration and validity of air transportation services; and the carrier's right to refuse carriage.
 - Rights of the carrier and limits on the carrier's liability for delay or failure to perform a service, including schedule changes, substitution of alternative carriers or aircraft and re-routing, and, when required by applicable law, the obligation of the carrier to notify passengers of the identity of the operating carrier or substituted aircraft.
 - Rights of the carrier to refuse carriage to passengers who fail to comply with applicable laws or who fail to present all necessary travel documents.

5. You can obtain more information about your contract of carriage, and find out how to request a copy, at places where transportation on the carrier is sold. Many carriers also have this information on their websites. When required by applicable law, you have the right to inspect the full text of your contract of carriage at the carrier's airport and sales offices, and upon request, to receive a copy by mail or other delivery service from each carrier free of charge.
6. If a carrier sells air transportation services or checks baggage specifying carriage with another carrier, it does so only as agent for the other carrier.

GOVERNMENTS MAY REQUIRE YOUR CARRIER TO PROVIDE INFORMATION ON OR PERMIT ACCESS TO PASSENGER DATA.

OVERBOOKING NOTICE

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and boarding priorities are available at airport ticket counters and boarding locations.
