Hi Judy,

Got your note from Jill and am sending you a power point on carbon neutral government. I am not sure if this is what you want or not. I have copied Orest Maslany on this note as he is co-ordinating the LCS work on carbon neutral and this is his presentation.

Would you mind sending me your PowerPoint A Carbon Neutral Gov't? As the district's carbon champ I am making a presentation late November to BC Timber Sales and would like to borrow chunks of your PowerPoint if you don't mind.

This slide is similar to the one above, with the same header and title "Government Direction". Below the title, there is a list item starting with a right-pointing arrow: "2007 Throne Speech:". Indented under this is a bullet point: "Identify and implement practicable options and actions for making the government of B.C. carbon neutral by 2010." To the right of this text is a small image showing two hands cupping a glowing blue and green Earth. In the bottom right corner of the slide, there is a small number "4".

What is Carbon Neutrality?

- It doesn't mean zero emissions from government operations by 2010
- It does mean net zero emissions from global perspective

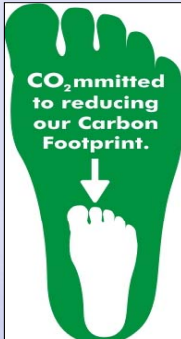

7

**Ministry of
Labour and**

What is Carbon Neutrality?

- It involves
 - Measuring your emissions
 - Reducing your emissions as much as possible
 - Offsetting remaining emissions

8

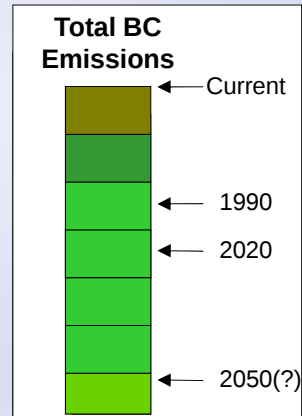

Ministry of
Labour and

Government Direction

➤ 2007 Throne Speech

- ✓ ...reduce B.C.'s greenhouse gas emissions by at least 33 per cent below current levels by 2020
- ✓ ...target for 2050 will also be established...

9

Ministry of
Labour and

Other Gov't Directives

➤ Vehicles

- ✓ all new cars leased or purchased by the provincial government will be hybrid vehicles. (Premier's 2006 UBCM address)
- ✓ ...reduce the carbon intensity of all passenger vehicles by 10% by 2020 (Energy Plan 2007)
 - implement a 5% average renewable fuel standard for diesel by 2010
 - support the federal action of increasing the ethanol content of gasoline to 5%

➤ Buildings and Procurement

- ✓ (2007 UBCM)
 - All new government buildings or facilities shall be built to a minimum LEED Gold or equivalent certification.
- ✓ (2007 Throne Speech)
 - As the Legislative Buildings are upgraded to meet modern seismic standards, new standards of energy efficiency will be set and met.
 - A new unified Green Building Code will be developed over the next year..

10

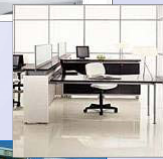

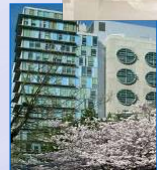

**Ministry of
Labour and**

Other Gov't Directives

➤ **Buildings & Procurement** (2007 Energy Plan)

- ✓ *Implement energy efficiency standards for buildings by 2010.*
- ✓ *...new rate structures that encourage energy efficiency and conservation*
- ✓ *New provincial public sector buildings will:*
 - *require integrated environmental design*
 - *supply green, healthy workspaces for all public service employees;*
 - *capture the productivity benefits for people who live and work in publicly funded buildings;*
 - *aim ... for restoration of the ecological features of the surrounding landscapes.*

11

**Ministry of
Labour and**

Other Gov't Directives

➤ **Business Travel** (2007 UBCM)

- ✓ *All government travel will be required to be carbon neutral starting this year.*
- ✓ *Measures to reduce unnecessary travel, such as video-conferencing capabilities, will be extended.*

➤ **Reporting** (2007 UBCM)

- ✓ *All provincial public sector organizations, including school boards and health authorities, will be required by law to produce annual public reports on their progress.*

12

Ministry of
Labour and

Carbon Neutrality Directive

➤ Applies to:

- ✓ Core government (ministry) operations
- ✓ School districts, health authorities, post secondary institutions
- ✓ Crown corporations

13

Ministry of
Labour and

Government Direction

➤ Summary:

- ✓ Carbon-neutrality by 2010.
- ✓ Target of 33% less or better by 2020
- ✓ Target of 50%(?),65%(?),80% (?) ... less by 2050
- ✓ Environmental agenda broader than carbon/ghg emissions
- ✓ Application to all provincial public sector agencies
- ✓ Government's approach will be BOLD
- ✓ Particularly important implications for govt's long-lived assets
