Dear

Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Technology, Innovation and Citizens' Services. You narrowed your request on February 19, 2015 by email with Angela McCartney. Your request is for:

Aggregate data on improper use of internet on workplace computers or mobile devices by any/all BC government employees including types of complaints, number of reprimands broken down by month. Date range January 1, 2014 to December 31, 2014.

Please find enclosed a copy of the records located in response to your request. These records are provided to you in their entirety. The Information Security Branch created the enclosed records in response to your request. The column entitled 'Files' represents the unique number of records that may include email evidence, internet evidence, or both. The combined total of the 'Email' and 'Internet' columns may not align with the 'Files' column as each record in the 'Files' column is only counted once.

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of 72 hours after electronic release or a minimum of five business days after release by mail in hardcopy. To find out more about Open Information, please access the Open Information website at: <http://www.openinfo.gov.bc.ca/ibc/index.page>
