Hey Gary,

So, here's the latest. I got home for lunch today and there was a msge from PHH. Not sure how they got my home phone number , but that is another discussion.

In any event, the message was that because this is a Hit and Run, PHH advise that it has to be reported to ICBC. PHH wants ICBC to assess the damage, complete the estimate for repair, and also provide a claim number to PHH.

After this is completed PHH will determine what happens next, whether it is repaired or written off.

I have contacted ICBC and spoke to a very nice lady by the name of Patricia. We went through the claim and she found that "suspect dude" has already made his claim and accepted the "probable offender" clause.

Patricia provided me a claim # of P4769600 and contacted the Kamloops Claim Center. The earliest that they could get it in was Monday at 08:45. It is booked for then and if there is an earlier opportunity they will let me know.

The fun and games continue..

Jeff
