Hi Helen

I understand there is a high probability it will be funded, but not confirmed until final funding letter, as in prior years.

Hi Shelley....kind of like a 5th season of the year?

For 2013/14, we have not yet communicated in our funding letter that we will be funding the Station Street property taxes. Nobody from VCHA or PHC has asked me for funding. By cc I am copying Mark Taylor to see if he is aware of it being on the list for communication in the final funding letter.
