Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Environment. Your request is for:

The financial costs of a worst case scenario tanker spill off the north coast of British Columbia could outweigh the economic rewards of the proposed Northern Gateway pipeline for the region, says a study by the UBC Fisheries Centre. The study, funded by World Wildlife Fund Canada, looked at the potential losses to commercial fisheries, tourism, aquaculture and port activities in the area in the event of a tanker accident. (See "Costs of tanker spill outstrip gains: study. Pipeline project officials say research flawed." Vancouver Sun, Dec. 13, 2012)

Please find enclosed a copy of the records located in response to your request. Some information has been withheld pursuant to section 13 (Policy advice or recommendations) of FOIPPA.
