Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Health. You narrowed your request on December 30, 2014 through email with Patrick Craib. Your request is for:

Any and all cabinet documents, fact sheets, briefing notes and health position papers that discuss the delisting or deinsuring of pre-travel assessments and immunization services; Additionally, all fee-for-service schedules used as part of the BC Medical Services Plan. Date range is January 1, 1980 to December 31, 1999.

Please find enclosed a copy of the records located in response to your request. These records are provided to you in their entirety.

The program area also wishes to communicate that pre-travel assessments and immunization services were never benefits under MSP, and that as such there would be no records discussing delisting or deinsuring such services.

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of 72 hours after electronic release or a minimum of five business days after release by mail in hardcopy. To find out more about Open Information, please access the Open Information website at: <http://www.openinfo.gov.bc.ca/ibc/index.page>
