Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Community, Sport and Cultural Development. Your request is for:

Records showing the amount of funding put into basketball in British Columbia by the Ministry between January 1, 2002 - December 31, 2012.

Please find enclosed a copy of the records located in response to your request. Some information has been removed as 'Not Responsive' as it does not speak to the wording of your request.

In addition, the Ministry has the following to say regarding your request:

- The Ministry of Community, Sport and Cultural Development does not fund provincial sport organizations directly. Funding is provided to approved delivery organizations (e.g. 2010 Legacies Now, viaSport) who make funding determinations based upon ministry program guidelines.
- The table provided illustrates the funding amount that was transferred to Basketball BC by an approved funding organization through fiscals 2009/10 to 2011/12.
- The funding amount shown is not inclusive of all funding directed towards basketball within the Province. Other funding may have been provided through community gaming grants or through the provincial education system.
- Data relating to previous fiscals is not available due to differing reporting requirements and funding models associated with those years.

Your file is now closed.
