**Indemnity Coverage for Legal Expenses**

This will advise you that, under section 12(2) of the Excluded Employees (Legal Proceedings) Indemnity Regulation, I have reviewed and approved your application for indemnity coverage in relation to proceedings potentially arising from your role in the review and report on the draft multicultural strategic outreach plan.

Coverage will be effective March 14, 2013.

Since it is unclear what, if any, form of proceeding may be commenced, and how it may involve you, I have approved coverage for all the types of proceedings listed under section 3 of the regulation, with the following exceptions:

- i. a prosecution as defined in the regulation in which you are the accused person,
- ii. a penalty proceeding as defined in the regulation in which you are the accused person or respondent, arising from your having directed or approved the publication, or acquiesced in another person's uninformed publication, of the report referred to in the recitals:
  - A. outside Canada without authorization by the Minister of Citizens Services, or
  - B. in a form which contains or may disclose personal information.

Since different considerations and processes apply to these types of coverage, from those which apply to the rest of the types of proceedings for which coverage is now approved, coverage for these can be provided if there are specific facts to support coverage. Nothing in this letter precludes your further application for coverage in relation to those excepted proceedings, should circumstances warrant.

This approval is given on the understanding that you do not have any immediate need for independent legal advice or representation; but that – if and when you do – you will contact me and appropriate arrangements will be made, all as contemplated under the regulation.

If you have any questions or concerns, please let me know.

Sincerely,

Original Signed By

Richard J. M. Fyfe, Q.C.  
Deputy Attorney General
