### Comments:

Hi Louise,

Could you have a chat with the folks at Yellow in Victoria about the knowledge of drivers? Seems incredible that they wouldn't know where the legislative buildings are.....  
Driver training issue?

Thanks

Dawn

Re: Dawn

S22 reports that the yellow cabs serving YYJ constantly have new drivers who do not know where the leg buildings are and have to phone for directions. Can we loom into?

Have a great weekend

Nov.6/12 Response received from Surinder Kang.

Good Afternoon Louise,

Our company policy is that any new driver that is hired has a chauffeurs permit issued by city of Victoria Police department. We made a couple of exceptions because of financial hardships. The drivers were trained and tested. We will retrain those drivers and I will personally test their knowledge of the city. I assure you that any new driver that is hired will have to possess a chauffeur's permit and we will make sure that this sort of incident does not happen again.

Please pass on my apology to the customer.

Best Regards,

Surinder Kang

Nov.6/12 E-mail sent to Surinder Kang.

Good afternoon Surinder,

Thank you for your response.

Are you saying that a couple of drivers didn't have chauffeurs permits?

Nov.6/12 E-mail response received back from Surinder Kang.

Hello Louise,

Yes one driver has obtained a chauffeurs permit now and only one is remaining without one. Without chauffeur's permit they can pick up outside of Victoria city boundary limits and can drop off within Victoria city boundary.

Best Regards,

Surinder Kang
