Dear

Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Transportation and Infrastructure. Your request is for:

Any geotechnical reports explaining any possible risks to properties in the Clarke & Cecil area; Any online geotechnical assessments\reports that were done prior to project starting up; A high resolution cross section showing depth of cover and soil strata; Any digital reports\documents that summarize the ground conditions on the tunnel alignment [under Cecile Drive], not results of individual borehole data but rather a synthesis of all borehole data\geotechnical investigations; A graphical representation, in section, showing the geological stratigraphy, the tunnel and grade would be appreciated; A report/document by a recognized Geotechnical Engineering firm in which sink holes developing was discussed as a possibility; Any reports that can be released according to FOI protocol addressing the sinkholes; A digital package of what was made available to contracting consortiums, geotechnical related.

Please find enclosed a copy of the records located in response to your request. These records are provided to you in their entirety.

These records will be published on the BC Government's Open Information website a minimum of 72 hours after electronic release or a minimum of five business days after release by mail in hardcopy. To find out more about Open Information, please access the Open Information website at: <http://www.openinfo.gov.bc.ca/ibc/index.page>
