Thank you Peter. I was not aware that Tom felt he needed my concurrence. I am happy to provide it.

Thanks, Dan.

Can you or Dr. Barss confirm if comments are forthcoming? If we can get comments by Tuesday, this would be fine; if input pushes much later, it becomes increasingly difficult for us.

Regards,
Scott

Hi Scott, thanks for taking the time to talk to me this afternoon.

I just got off the phone with Dr. Barss and he advised that he won't be able to have comments back to you on these minutes by end of business today.

Thanks.
