Dear Minister:

I am writing to you to express ^{our} ~~my~~ deep concern at the closing of the Kitsilano Coast Guard Station. Your government has the responsibility to keep BC harbours safe and I am disappointed that you have chosen to proceed with the closure of this vital station. *particularly in the manner it was done.*

Your announcement regarding the relocation of one of the inshore boats to service this area ^{is a good first step but} does not go ^{s.13, s.16} far enough. The ^{s.13, s.16} drop in services this area will now experience, ^{is a significant consequence for us.} particularly ^{s.13, s.16} during the eight months of the year that your inshore boat is not operational,

I understand that fiscal priorities are important. The Province of British Columbia ^{s.13, s.16} is also making difficult decisions in order to ensure our fiscal house is in order.

I urge you to reconsider this decision and find the funding to keep the Kitsilano Coast Guard Station open for the safety of British Columbia and our coastal communities. *It is an important public safety priority.*

The Canadian Coast Guard is highly regarded, both in BC and across our country, for its unwavering dedication to public safety. The Canadian Coast Guard deserves to be given the tools and the funding to continue this essential, life-saving work.

Sincerely,

Shirley Bond
