Subject: s.22**Date:** Fri, 16 Apr 1999 14:37:36 -0700**From:** "Laurie Woodland" <laurie.woodland@moh.hnet.bc.ca> Internal**Organization:** Ministry of Health**To:** Lillian Bayne <lillian.bayne@moh.hnet.bc.ca>**CC:** Jeanne Kirk <jeanne.kirk@moh.hnet.bc.ca>

Lillian, It must seem a bit unfair for you to have to finish this off, but s.22 called and was wanting some information on how s.22 did in the interview for the PHO. I dealt with process stuff, but since I wasn't on the panel, can't get into specifics.

s.22 number is s.22 and s.22 tells me s.22 is free all next Tuesday and Wednesday.

You may be able to speak to s.22 very generally, but if you feel you need your notes - let me know.

Thanks
