Importance: High

Hi – just following up re: tour tomorrow for Minister and DM – did they mention a time? Or can I provide one that works for them both?

Hi Lenora, can we do the tour tomorrow from 1:15-2:15pm. Mark is arriving on Harbour at 12:15 so I wanted to give enough time in case of traffic.

Can I confirm you will be attending the tour and will be the onsite contact?
