Ludwar, Kenedee TRAN:EX

From: Lew, Henry TRAN:EX
Sent: Tuesday, June 25, 2013 1:33 PM
To: 'Ross McLaren'
Cc: Ludwar, Kenedee TRAN:EX
Subject: Stanley Park Causeway - Request for a Fee Proposal under the Traffic As and When

- Brief technical memo on options to improve cyclist and pedestrian safety on the Stanley Park Causeway
- The limits for review will be the Stanley Park Causeway from the LGB south bridge abutment to Chilco Street.
- Options may include barrier, fencing, etc.
- Pro's/con's of each option
- High level (ballpark) cost estimate of each option
- Deadline: To be completed by Friday, July 5, 2013

Please call to discuss if you have questions.

Thanks.

Subject: Technical Memo - Stanley Park Causeway

Please have Delcan prepare a technical memo on possible options for improved cyclist/pedestrian safety on the Stanley Park Causeway.

- The limits for review will be the South Bridge abutment to Chilco road.
 - Prepare list of options and advantages and disadvantages of each.
 - Please ensure we review adding barrier and fencing
 - Include high level costs estimates
- This should be completed by Friday, July 5, 2013

Kenedee, City of Vancouver has placed cyclist counters along the sidewalk. Perhaps we can grab some of their data to include in the technical memo to get a sense of the volumes.

I will discuss with the City of Vancouver at our meeting (which by the way has been postponed until Thursday)

Jim/Jesse,

Some opening thoughts on response to the questions posed by Norm. Could you both review and provide comment/input.

Jesse figure this is a good time to bring you in. Appears Brian will be doing a media interview next week, so thought you may want to be included in the prep work.

I think we're up to 5 queries now. We have indicated to CBC that an interview is not in the cards, generally we are saying that the matter is under investigation by police, but it would be nice if we had some of the historical context, what if any efforts have been made in the past to widen the bike path, have we had any discussions with Vancouver parks Board?

Thanks

kim

ADVICE TO MINISTER

CONFIDENTIAL
ISSUES NOTE

Stanley Park Causeway
Cycle Fatality

Ministry of Transportation and Infrastructure

Date: May 27, 2013

Minister Responsible:

s13

KEY FACTS REGARDING THE ISSUE:

On Saturday May 25th, 2013 at 6: 45 p.m. a 61-year old woman riding southbound on the west sidewalk of the Stanley Park Causeway somehow veered off the sidewalk and into traffic. She was run over by a West Vancouver bus also travelling southbound into Vancouver. The woman died at the scene.

s13

s13 The sidewalk is a multi use facility, shared by pedestrians and cyclists.

The Stanley Park Causeway is a provincial responsibility. The sidewalk is a standard 1.4 metres wide and cyclists are directed to travel with the traffic flow, i.e. southbound cyclists use the west side sidewalk, northbound cyclists use the east side sidewalk. Vehicle speed limits on the bridge and causeway are 60 km/h. There is no barrier separating the path from the road. This configuration has been in place for decades.

There are no records of previous cyclist-pedestrian collisions on the causeway within the last 5 years.

s13

Questions are being raised in the media about the safety of having pedestrians and cyclists share the path adjacent to the road.

The accident resulted in the closure of the Lions Gate Bridge for several hours.

Alan,

We are aware of the motion that is being brought up. We are not attending but have meetings set up to work through this.

We have a meeting currently scheduled with the Vancouver Parks Board staff for June 26, 2013.

We have also been in contact with the City of Vancouver Engineering Manager. We are debating the possibility of expanding the scope of the June 26, 2013 meeting to include the City of Vancouver, as we all need to be approaching this together.

We are following up with the Vancouver Police but nothing at this point.

Hi Dale, please see below. Cheers. T.

Park Committee/Board Meeting - June 24, 2013

1. Pedestrian and Cycling Improvements at the Stanley Park Causeway

MOVER: Commissioner Barnes
SECONDER:

WHEREAS:

1. On May 25th, 2013, a sixty-one year old cyclist was tragically killed on the Stanley Park Causeway on her way to work;
2. This cyclist's death has brought much needed attention to the ongoing and dangerous conditions that currently exist along the Stanley Park Causeway;
3. The Stanley Park Causeway is the only direct and lit route through Stanley Park for all users between the Vancouver downtown core and North and West Vancouver;
4. The bike way along the Stanley Park Causeway, which allows for cyclists to travel on a narrow sidewalk shared with pedestrians, next to fast-moving motor vehicle traffic without a physical safety barrier, is indicative of the inadequacy

of the pedestrian and cycling infrastructure along the Stanley Park Causeway;

5. The City of Vancouver is taking extensive measures to improve active transportation infrastructure and safety to achieve the goals of the Transportation 2040 Plan;

6. Active transportation on foot, by bike or by transit contributes to less motor vehicle traffic through and within Stanley Park, which reduces air pollution and noise in the park and has an overall beneficial impact on the environment;

7. The provincially maintained Stanley Park Causeway seems to have been neglected in the City's pedestrian and cycling transportation network despite the Province's commitment to integrate bicycling by providing safe, accessible and convenient bicycle facilities on the Province's highways and to support and encourage cycling;

8. The Stanley Park Cycling Plan includes recommendations regarding some safety issues along the Causeway corridor but does not address the high potential for cyclist-pedestrian conflict on the narrow sidewalks or the lack of safety barriers between the sidewalks and the Causeway roadway;

9. Better Environmentally Sound Transportation (BEST), the British Columbia Cycling Coalition (BCCC), HASTe Hub for Active School Travel, HUB Your Cycling Connection, the University of British Columbia's AMS Bike Co-op, and the Vancouver Public Space Network (VPSN) are in support of improving the pedestrian and cycling infrastructure along the Stanley Park Causeway; and

10. The aforementioned safety barriers or another means of interim safety measures are needed immediately to prevent serious injury or death.

THEREFORE BE IT RESOLVED

THAT the Vancouver Park Board do everything within its power to work with all levels of government to improve safety for pedestrians and cyclists along the Stanley Park Causeway.

THEREFORE BE IT FURTHER RESOLVED

THAT the Board direct staff to work with the Ministry of Transportation and Infrastructure, and Engineering Services to develop strategies to minimize conflict in high volume pedestrian and cyclist interface areas of the Stanley Park Causeway and report back to the Board with immediacy as to what short-term measures can be implemented to improve pedestrian and cycling safety in the interim as well as provide possible longer-term solutions.

THEREFORE BE IT FURTHER RESOLVED

THAT the City of Vancouver's Active Transportation Policy Council has the opportunity to give feedback on staff's recommendations prior to the Board's consideration.

Subject: Stanley Park Causeway - Cycling & Pedestrian Safety Improvements

Dear Mr. Chhun,

I left a message on your voice mail this afternoon about the Stanley Park Causeway. For more background information, I am sending the letter that HUB Your Cycling Connection sent to the Minister and Deputy Minister of Transportation and Infrastructure. Patrick Livolsi was copied on the letter, but I understand that [s22](#) and that you may also be the better contact for the Causeway.

I would appreciate if you could call me back so that we better understand the Ministry's responsibilities regarding the Causeway through Stanley Park. The Vancouver Park Board will discuss cyclist & pedestrian safety along the Causeway at its next board meeting on Monday June 24.

Regards,

Antje Wahl
Chair, HUB North Shore Committee

The Honourable Christy Clark, Premier of British Columbia
 The Honourable Mary Polak, MLA-elect, Minister of Transportation and Infrastructure
 Grant Main, Deputy Minister, Ministry of Transportation and Infrastructure
 Vancouver Board of Parks and Recreation
 Mayor and Council, City of Vancouver

RE: Stanley Park Causeway - Cycling & Pedestrian Safety Improvements

The unfortunate death of a North Vancouver resident on the Stanley Park causeway on May 25th, 2013 comes as no surprise to those who regularly bike or walk between downtown Vancouver and the Lions Gate Bridge. HUB: Your Cycling Connection urges you to put short-term safety improvements in place immediately to prevent future tragedies like this. In the long term, the Stanley Park Causeway sidewalks should be widened to provide designated paths to separate cyclists from pedestrians and a safety barrier should be installed to protect people from falling into motor vehicle traffic.

We ask that the following measures be implemented immediately, as early as this summer. The measures will reduce the likelihood of serious injuries and death at a time when the numbers of people cycling between Vancouver and the North Shore is increasing. The upcoming closure of one sidewalk along the Ironworkers Memorial Second Narrows Bridge for widening and fencing is expected to bring even more cyclists to Lions Gate Bridge and the Stanley Park Causeway. Here are some of the changes that HUB would like to see implemented:

- Improved cycling wayfinding signage between the bike routes in downtown Vancouver and the Lions Gate Bridge
- Improved pedestrian wayfinding signage and trail maps in Stanley Park
- Enforce the northbound Causeway traffic speed limit of 60km/h
- Reduce the southbound Causeway traffic speed limit to 50km/h
- Install cycling speed reader panels on the southbound sidewalk along the Causeway that warn cyclists to slow down when above 25km/h
- Allow and sign two-way bike traffic on the northern section of Pipeline Road in the park
- Turn one of the uphill northbound Park Drive lanes into a separated bike lane between the intersection with Pipeline Road and the exit to the Causeway (e.g. with concrete barriers or plastic posts)
- Replace the vehicle gate at the northbound Park Drive exit to the Causeway (just south of the bridge) with a design that allows easy and safe passage of all types of bikes and bike trailers

The following long-term (2014/2015) improvements would ensure the safety of cyclists and pedestrians traveling through Stanley Park:

- Build designated paths that separate cyclists from pedestrians along the Stanley Park Causeway
- Install a barrier or fencing that prevents people from falling into motorized traffic

- Designate/develop an alternate bike route through the park that is paved and well-lit, providing a convenient and safe connection between downtown Vancouver and Lions Gate Bridge

We are requesting a meeting between representatives from the Ministry of Transportation, the Parks Board and HUB to discuss these short-term and long-term improvements. Please contact us to set up a meeting at your earliest convenience by emailing Lisa Slakov and Heather Harvey at vancouver@bikehub.ca and Antje Wahl at northshore@bikehub.ca. We look forward to working with you to make cycling and walking safer in Vancouver and the North Shore.

Sincerely,

Lisa Slakov
