Subject: Northern Gateway Pipeline Project

Good morning Jennifer,

It has been a while since we have discussed Northern Gateway. As the Crown Consultation Coordinator I am currently preparing for consultation on the Joint Review Panel's report for the project. I was wondering if you were still the contact for BC or if I should have another contact. Generally speaking I would like to discuss how to consider issues within provincial jurisdiction during my consultation with Aboriginal groups.

It would be great if yourself or another appropriate contact could give me a call to discuss.

Thanks very much and Merry Christmas!
