Subject: CFO legal services (internal and external): Operational and Administrative contacts

Hi everyone

With Rob Kroeker's departure from the CFO yesterday to start his new career, I've temporarily assumed responsibilities for this office. s.15. s.19 will continue to lead the LSB CFO team and all administrative questions and concerns from the LSB CFO core team, LSB CFO non-core team and all external counsel firms, should be directed to him.

Questions or concerns regarding active file operational matters should be directed to the designated CFO file manager, or alternatively, to myself.

Thanks,

Subject: Personnel Changes at Civil Forfeiture

Hi All

Just a quick note to let you know that I will be leaving the BC Public Service. My last day in the office will be October 31.

Sometimes in life we end up pointed in unplanned directions leading to unforeseen and unanticipated opportunities. I am very fortunate in that a new and exciting opportunity has opened up to me. I have accepted an executive position in the private sector.

I have greatly enjoyed the challenges of the many diverse roles and projects to which I have been appointed during the course of my career in government, and of course having had the opportunity to work with all of you. I am particularly appreciative of having been given the opportunity to be at the forefront of civil forfeiture in British Columbia. I am pleased that BC has been recognized as a leader in this arena and that three provinces have directly adapted their legal and business processes from those designed and implemented in BC. The success of the Civil Forfeiture Office could not have been achieved without the efforts of the amazing team here, who always carry more than their share of the load, and the Office's key partners all across government and the justice sector. I will very much miss working with you and hope our paths will cross again at some point in the future.

I will send you my new coordinates when they are available sometime in November.

Take care,

Robert G. Kroeker B.A., LL.B., MPA

Would you please format the text below on letterhead to the President of the BC Chief's . I believe it is currently Peter Lepine.

Dear Mr. President

I am writing to advise that I will be leaving my position as Executive Director of the BC Civil Forfeiture Office as of November 1, 2012. Accordingly I will be resigning by associate membership with the BCACP. I would like to take this opportunity to thank you and all the members of the BCACP for the partnership and support they have extended to the Civil Forfeiture Office since its creation in 2006. Many great results have been achieved which would not have been possible without the level of cooperation that exists between police agencies in BC and the BC CFO.

s.15. s.19 will be designated executive director upon my departure. s.15. s.19 of the
CFO and is a s.22 who enjoyed a long and successful career in s.22

Best Regards,

Robert G. Kroeker

Rob's Farewell

Hi everyone

I met briefly with s.15. s.19 to discuss Rob's Farewell-we can chat further about this at our meeting on Tuesday. Here's a draft of what we should try and cover:

1. Departure date-then we'll set Farewell his last week (we're estimating his departure as NOV 1);
2. Guest list;
3. Based on numbers, booking the location and type (cocktails or dinner);
4. Costing per person and determination what CFO/Min could cover;
5. Gift.

Of course all of this will be run by Rob on his return. s.15. s.19 I understand you've offered to help s.15. s.19 and I lead this and your assistance is much appreciated.

As s.15. s.19 mentioned, this is fairly significant for Rob as he's not only leaving CFO (as founder) but the BC government as well. For the time being this information remains confidential however I expect Rob will message his farewell shortly after his return.
