Here you go, I thought I'd get it to you sooner rather than later considering I'm already late. I'll try to track down the missing details in case they're needed.

See you next week

Subject: SD47 - Surplus Properties

Hi There,

Further to my phone message, could you could please send me a report of surplus properties that your school district is not holding for educational requirements.

I will forward the report to ARES so they can update their inventory.

I'm looking forward to meeting you next week at the BCSDSTA conference.

Thanks,
Kathleen
