FYI Elaine... Not sure how much you're looped in on this (ill flip you the material) but would MacDougall be replaced on the review committee or would they just continue the work without him?

FYI that Michael MacDougall is also a member of the fh review committee.

I don't expect the review to be effected by any change here as the review work is not related to phsa's decision.

Hi,

I returned the call went through the bullets. Reporter did not want an interview.

Thanks
